Our Newest Mural in Town

This Mural was created in collaboration and support of the Coronach Street Festival, Town of Coronach, Sask Power, and Sask Arts.

To my mentees Amanda and my Daughter Ava who helped me grow as a better person and artist. Thank you, you girls rock!

To all the youth who participated in my Mural Art Workshops. You all did such a wonderful job, keep creating. I hope to see you all again soon.

Mural Title: "Land of the Living Skies"

Mural Description

With great fortitude we watch as we live in constant parallels with nature. Unshakable and undeniably formidable, Mother Nature and her creatures are outstanding and resilient. As we move forward into unprecedented times, we are reminded of the beauty that is always gifted to us ever so effortlessly.

Through the seasons as we wait for the spring to arrive to plant each seed for a hopeful and abundant harvest. Through the highs and lows we take a step into a new direction with endless possibilities to shift and grow. A crest I have created for The Town of Coronach, my hope is that this is what this mural will become a badge of true civic pride. Within it each corner from North, South to East and West honouring the four directions and the land we are privileged to live on.

With respect to agriculture here in the south with direct alignment to the leading lentil that is cared for and grown here by many local farmers, in addition to the nourishing chief flax. As the breadbasket of the north, here we share a visual storytelling of the generations of seeds that have been grown and harvested time and time again. To the sweet Saskatoon berries that are grown in the local orchard in Coronach to which also grow wild near the Big Muddy.

This mural and green space is a renewed opportunity for equity and a deep reminder that through the fabric of community. Your collective unity holds the tie that binds. A town that has given of itself without question. For those who have stayed and those folks that go on like the diverse ever changing sky. Like the deer giving of its hide, its body, its spirit. To the orbs/sentient beings, your ancestors that have passed and new lives ready to be birthed. Through all times, may you have peace that at the first sight of the crocus, there is always hope and may you always rise.

Everyone who contributed to this mural from beginning to end has been an integral part of this process. This project would not have been possible without the support of each and everyone of you so it's important to extend my great gratitude and say how truly thankful I am. It was an honour and my pleasure, Thank you.

Stephanie Bellefleur

And don't forget about our other beautiful murals in town and the talented artists that created them.

- Patricia Siggelkow who painted a mural depicting the history of Coronach to welcome visitors into town. Patricia also painted the whole west wall of the interior of the Coronach curling rink with sports and activities for every season. At the time this was the largest indoor mural painted by a senior citizen - * I am not sure if this is still the case*

- the RM of Hart Butte celebrated their centennial in 2014 with a mural displayed by building painted by Sandra Lamontagne

- Haley Hovorka who helped Coop celebrate 100 years of serving us with a commemorative mural - Haley has also done work down at the rink, she made the Richardson Hart Butte Spray park sign and the portraits of figure skater and hockey player that hang above ice surface doors.

A BIG THANK YOU TO THE COMMUNITY OF CORONACH FOR BUYING 152 DOZEN ROSES AT \$20/DOZEN RAISING \$3040.00 FOR MENTAL HEALTH PROGRAMS/RESOURCES FOR ASSINIBOIA & SURROUNDING AREA.

MENTAL HEALTH IS REAL AND EXTREMELY IMPORTANT, YOUR SUPPORT MAKES A DIFFERENCE; WATCH FOR PROGRAMS ADVERTISED IN THE FUTURE. AND YES, THE ROSES WERE GORGEOUS!

ROSES ARE RED
violets are blue
sugar is sweet
AND SO ARE YOU

Thank you to Gail Foley for always organizing this for Coronach. We appreciate you!

So very THANKFUL

Coronach Rec Board is extremely thankful to Schnell Enterprises for all their work they do down at the rink, ball diamonds, campground and pool. The whole family devotes their time to making sure that everything is well kept, maintained and looking great. We love them as our staff and never have to worry that everything is being looked after.

Sadly they have made the decision to not work the winter months at the rink. We are grateful that they will continue to work for us in the spring and summer but they will definitely be missed there this winter. Thank you very much to them for their devotion to the rink, whether it be planning a fundraiser for rink, hauling back empty jugs for pool, running down to sharpen skates or a 2am drive to pool in storm to check the pumps. Thank you for keeping the Sportsplex and area a success!

On that note we are extremely fortunate to have joined with the RM of Hart Butte to have an employee for the winter months. We would like to welcome Preston Pearson to the rink as your maintenance/rink manager for the winter 2021/22 season. Preston is an RM employee in the summer months and will come and work at the rink for winter, as there's not enough work in the winter at the RM. We are so pleased that we have this partnership with the RM, appreciate this opportunity and are are looking forward to a season of working together.

Please make sure when you're down at the rink to meet Preston to welcome him to this new position!

RINK REPORT

BJ's Refrigeration has been booked and Trevor Schnell has committed to putting in the hockey ice again this season, with Preston assisting and learning the process. The goal is to start making ice Thanksgiving Monday and by October 18 week there will be skating.

Few things to remember this season:

- the Coronach Sportsplex follows the guidance of the Saskatchewan Health Authority and adheres to their guidelines. This is to ensure that the building can remain open to the public and to contribute the the health and safety of our community. If you choose not to follow the guidelines at the rink, you are not welcome to enter. The last thing we want is to have rules broken that in turn, could jeopardize our rink season.

- Preston is a new employee and will be treated with respect and patience. He will be learning and the Rec Board will be training him but there will be situations that arise that we are not yet prepared for - please use these times to lend a hand as opposed to complaining.
- a monthly schedule will be put in the newsletter but please also check out our Facebook page - Coronach Sportsplex & Recreation or follow the Coronach Connection Facebook page which lists all the daily events in town.
- stay tuned for details on the upcoming curling season down at the rink.

What Not Shoppe

Winter clothes are now out and Halloween costumes to be put out right away. We also have lots of skates and hockey equipment. December is available if any organization would like to work that month and raise some money for your organization.

October is Down Syndrome Awareness Month

October is Down Syndrome Awareness Month, a chance to spread awareness. During the month of October, we celebrate people with Down syndrome and make people aware of their abilities and accomplishments. It's not about celebrating disabilities, it's about celebrating abilities. We can learn about the history, educate ourselves and give love, support and encouragement.

CORONACH RECREATION BOARD

Attention Business Owners!! Year round advertising is here!!

The Coronach Sportsplex is a very busy place during the hockey and skating seasons. Hundreds of people walk thru our doors whether it be visiting teams, family, friends or local patrons. In the off season we have weddings, grad, trade shows, etc that continue to bring people through the doors. We are extending this offer to you to become or to continue to be a part of that action.

How it works: You are required to design and purchase your sign. Once you have your sign contact us, pay your advertising fee and drop off at rink and we will proudly hang your sign. Every fall the Recreation Board will send you renewal forms; if at any time you decide not to renew, your sign will be returned to you. This endeavor benefits both of us, it is a great fundraiser for our rink while at the same time advertising all our great local businesses.

If you have any questions you can contact Heather by email at coronachrecboard@sasktel.net or by phone at 267-7247.

Thank You for your support & we love helping you advertise your business!

Council Meeting Highlights September 14th, 2021

1. Welcome Sgt. Granello to the Coronach Detachment! We look forward to working with you and your team.
2. Council voted to waive the Sewer overage fees for the July 1st – September 30th 2021 billing period as set out in Bylaw 1.2021 until further review has been completed.

3. Town Council has launched Voyent Alert!
Check out <https://ca.voyent-alert.com/vras/client.html#!/registration>

This is a Notification system that will contact you in case of an emergency, a drinking water advisories and notices that may affect anyone living in, concerned for people living in or working in the Town of Coronach. Council chose this system because you can choose your preferred method of contact. This system can call you at home, text you, or email you or you can have the Voyent App on your smart phone for alerts.

This system will help us communicate more effectively in emergencies, and it will reach people that don't use online sources for their information if they are signed up. You can sign up through the [Townofcoronach.ca](https://www.townofcoronach.ca) home page, download the Voyent! App. If you have someone that does not use a computer or smart phone but they need a text or phone call when there is an alert, we can help you set that up, just call or visit the Town Office at 306-267-2150

Voyent TIP: You can sign up for more than one location, work and home and you can sign up even if you don't live in town limits. If you live out of town, you can sign up and use the school, a family member's address or a work address to receive notifications. Notices will be transmitted, sent or called to the affected area only unless there is a town-wide notice when everyone signed up would receive a notice.

CONGRATULATIONS!

Town Council and Staff send congratulations to Kelsey Manske, our Community Development Officer, and her husband Kyron Manske on the safe arrival of Baby Eva. We wish you a lifetime of health and happiness.

IN LOVING
memory

Brenda Elder

*It is with deep sadness that we announce that Brenda Ann Marie Elder,
late of Coronach, Saskatchewan,
passed away on September 6, 2021 at the age of 70.*

She was born to parents Arthur Murdoch and Lois Murdoch (nee Phillips) on April 11, 1951 in Sault Ste. Marie, Ontario. At the age of 12, her family moved to Regina, Saskatchewan and then she moved to Coronach to begin a life with her husband Carl in 1984. They were married on August 1, 1986. Brenda loved working as a Continuing Care Aide and after 19 years of service she retired from the Coronach Health Center. She cherished all of the special time she spent with the "Golden Girls." She enjoyed spending time playing Aggravation and laughing with her children and grandchildren, going for coffee, making jewellery, collecting semi-precious stones, practicing Reiki, reading, gardening and raising pigs. A few of her greatest accomplishments were having her children, becoming sober, being a farmer's wife, learning to garden and "becoming my own person." Brenda loved wearing fun lipstick, getting her hair done, shopping for new clothes and painting her nails as bright as her personality.

Brenda is survived by her husband of 35 years Carl Elder; son Garry Murdoch (Raeann); granddaughter Kayley Murdoch-Brace (Graham) and their daughter Violet; granddaughter Shelby Temple (Barid) and their upcoming baby; daughter Angela Murdoch (Dan); stepdaughter Carla Danielson (Tyler) and their children Natalie, Holly and Leah; stepdaughter Corry Auchstaetter and her children Dylan (Carla), Parker and Brody; stepson Mitchell Mohr (Lydia); daughter-in-law Tammy Smith (Richard) and their children Jason, Mel (Melanie) and Amy (Regan) and their families; stepson Kevin Mohr (Marilyn); along with her bestie Elaine Brenner, cat Baby and other fur-grandchildren. Brenda also leaves to mourn her siblings Fran Radfelder (Don), Bill Murdoch (Theresa) and Sheila Parsons; brothers-in-law Floyd Elder (Colleen), Ron Elder (Donna) and Lloyd Elder (Bonnie); sisters-in-law Wendy Terry (John) and Lois Elder; as well as numerous nieces, nephews and friends. She was predeceased by her father Arthur Murdoch; mother Lois Murdoch (nee Phillips); sister Jan Willet (nee Murdoch); niece Cianna Parsons; father-in-law Ken Elder; and mother-in-law Melvina Elder.

Special Thanks to the Palliative Home Care Team and her family for the exceptional care.

*Celebration of Life was held on Friday, September 10, 2021 at 11:30 a.m. in Westhill Park Baptist Church Fellowship Hall, with Linda Kirby officiating.
A reception followed.*

In lieu of flowers, donations may be made to Regina Transition House or one of the Regina Community Fridges.

School Golf News

On September 17 Coronach school golfers travelled to Avonlea to compete in District Golf. The Senior golfers consisted of Ashton Rousseau, Owen Dionne, and Keanan Elder. The Junior golf team was Walker Marshall, Jordan Eger and Keaton Wesson.

"We are so proud of how our golf team performed this year! They all represented our school and community well at both their tournaments. Keaton and Jordan both received 2nd in their categories at Districts on Friday. This is as far as Juniors go.

Owen received 4th place and is moving onto Provincials in Rosthern on September 25 & 25. " - Coronach school facebook page.

*update - Owen shot a 78 on Friday and a 89 on the Saturday for a total score of 167 placing him 19th overall provincially. His school team, the South Central District placed 3rd overall.

Congrats Owen!

Summer
memories

Grades 4, 5 & 6 share their favorite summer memory

Thank you to Mrs. Thurlow & Mrs. Froehlich for your help!

Grade 4 & 5

Avery - The best part of my summer was spring hockey and biking with my friends.

Gage - The whole thing was great!

Paige - The best part of my summer was me, my mom and my sister going to a hotel with waterslides in Regina

Jax - The best part of my summer was playing Fortnite

Lara - The best part of my summer was going to the lake and seeing everyone again

Atlee - The best part of my summer was all the barrel racing and riding I did

Nevaeh - The best part of my summer was getting my puppy Kobe

Karis - All of my summer was good!

Ty - The best part of my summer was going to hockey camp in Weyburn

Alyza - The best part of my summer was when I went to Greenwater Lake with my auntie and going camping with my dad

Luke - The best part of my summer was camping up north with my family

Austyn Ma - The best part of my summer was seeing my cousins in Ontario

Rand - The best part of my summer was camping at the dam in Coronach

Nolan - The best part of my summer was getting a new dirtbike and a new side by side

Austyn Mo - The best part of my summer was camping at Candle Lake, learning to ski and kneeboard and seeing my grandma and grandpa

Brianna - The best part of my summer was going on a boat and tubing and barrel racing

Tyson - The best part of my summer was that my grandpa came back from work

James - The best part of my summer was going to hockey camp with Austyn in Weyburn

Graycie - The best part of my summer was playing with Leti and my friends

Taylem - The best part of my summer was either dirtbiking or camping

Grade 6

Kali - My summer was pretty fun because the pool was open and I got to see one of my best friends that I haven't seen for 2 years!

Sapphire - This summer I went to BC and seen a waterfall!

Ellie - The best thing was dirtbiking, seeing friends and harvesting. I really like dirtbiking because it is entertaining and fun. I really enjoyed seeing my friends too, it really gave me stuff to look forward to. Harvesting is fun to eat lunch in the field and be in the combine!

Molly - The best thing about my summer was my birthday party, fishing at the dam and going to a lot of my family members houses and staying the night.

Ella - My favorite part of the summer was when I got a new puppy and we named him Lenny.

Kaylee - The best part of summer 2021 was my 2 day sleepover with Quinn, I went to Quinn's house and slept, then went to my house and slept. It was amazing.

Alexis - On my summer vacation I went sea-doing and tubing, it was awesome. My cousins were there and some family friends. My dad usually drove the seadoo. I was on the tube and I was on the edge and got bucked off. Lol! My little cousins didn't want to go too fast on the seadoo tubing. I think they were scared. For fun here is a joke: What does the sun use when it's too hot outside? Sunscreen!

Jaycee - This summer I went to Wood Mountain and saw Cierra there. I also played with my goat lots.

Ciera - The best part of my summer was going to Wood Mountain rodeo. I competed on Friday and I got 5th. I went back Saturday and saw Jaycee. Me and Jaycee went swimming and then we got slushies.

Kiptyn - This summer I went boating a lot! I went knee boarding, wake boarding and fishing. It was so fun!

Jadon - This summer was great because I got to drive a baler!

Saydee - I went to Buffalo Pound with family members I never see so we had a lot of fun this summer!

Sam - My favorite thing this summer was camping with my friends and tubing.

Declan - I went to the fair and had corn dogs. I did everything and had a lot of candy.

Rourke - This summer I helped my dad fix a car.

Hope to see you there!

Thank You!

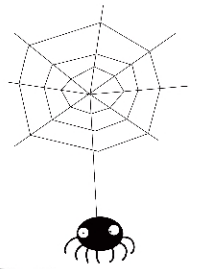

The camping season has now wrapped up at the Poplar River Community Park and the Board would like to send out a huge THANK YOU to everyone who helped make our season a great success.

- * Thank you to the volunteers who came out and helped to construct the new playground equipment! Michelle Myren, Greg and Colette Reaves, Les & Leanne Totton, Courtney & Duane Setrum, Rodney Setrum and Garry and Shawn Dustan.. Thank you!!
- * To the Town of Coronach for the use of their skidsteer and an employee to operate it
- * To The R.M. of Hart Butte No. 44 for going above and beyond this summer with mowing and grading.
- * To Jack Brown for picking up and delivering trees and all the volunteers who helped plant them
- * To the volunteers who helped with the summer fun celebration in July, setup and take down crew, bar workers, meal prep and cleanup and to Cal Martin for spending the whole day roasting the delicious pig! And a special thank you to Jaylyn Setrum for helping out all day! We really appreciate it.
- * To the Town of Coronach, Cal Martin and Greg & Colette Reaves for donating trees to the park
- * To Duane Setrum and Rodney Setrum for donating hours of equipment use and time throughout the summer
- * To Dan Allen and Sommer Foley for making our campground look great this summer
- * And to Heather Dionne for creating our awesome new park logo! Make sure to check it out!

Thank you Thank you Thank you!! Without volunteers we would not be able to operate our Park. We appreciate each and every one of you. We truly apologize if we have missed anyone!

Happy HALLOWEEN

The first use of the term "trick-or-treating" came nearly 100 years ago in Canada

Princesses and super heroes rank as the most popular kids costumes

Pumpkins are classified as a fruit, not as a vegetable

The fastest pumpkin carving only took 16.47 seconds

Heaviest Pumpkin weighed 2,624.6-pounds

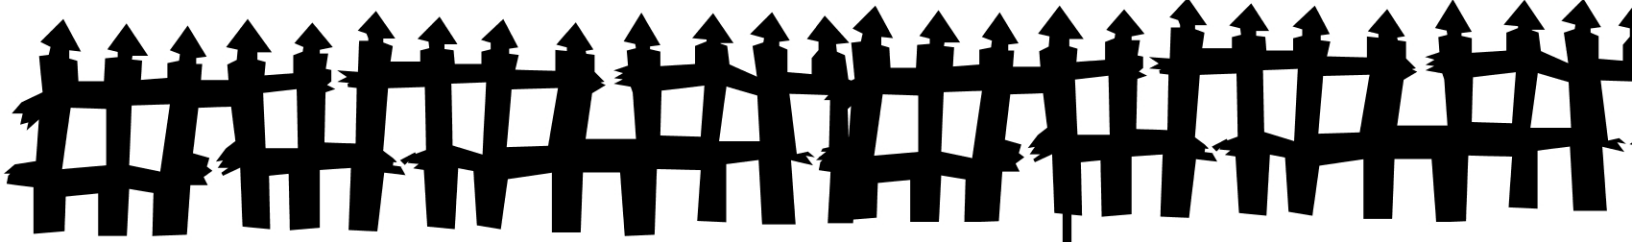

Skittles are the top Halloween candy

Halloween is the second largest commercial holiday in North America, Christmas being the first

Fifty percent of kids prefer to receive chocolate candy for Halloween, compared with 24% who prefer non-chocolate candy and 10% who preferred gum

Candy corn was originally called chicken feed

What do you get if you divide the circumference of a jack-o'-lantern by its diameter? Pumpkin π

Are you feeling angry or frustrated? Defeated?

Let's Chat!

With the new COVID restrictions being announced, you may be feeling down, depressed, angry, frustrated, defeated, like no progress is being made and many more emotions. This is normal and this is valid! It is important that we take the time to acknowledge and feel any feelings that we need too while also trying to find healthy and productive ways to express them.

Anger is a helpful emotion when it matches the situation you are in and motivates a person to take action or work towards a goal. However, anger that is dealt with in unhealthy ways can start to affect your well-being.

Ways to express angry and frustration in a healthy/productive way:

1. Leave the situation if you can.
2. Take a deep breath. Try to get these breaths to come from your stomach and not your chest.
3. Count to 10 before responding.
4. Repeat calming phrases such as "I am ok." "Breathe."
5. Try to shift your attention to something more pleasant or something that brings you joy.
6. Acknowledge you feelings- try not to avoid or bottle them.
7. Check to see if your reaction matches the situation. "Is this situation as bad as I am making it out to be?"
8. Look at your thoughts and language towards the situation. These may be fueling the anger. "This is the worst thing in the world." "Life is over." "I cannot live like this." This is all very heavy, intense language that catastrophizes the situation.
9. Identify the true source of your anger. What are you truly angry at in the situation?
10. Focus on what is in your control vs. out of your control. If it is something you can control, make a plan. If it is something you cannot control, let it go. Put things into perspective.
11. Find humor if you can.
12. Exercise. Self-care. Sleep. Appetite. Supports. Check in with yourself in these areas. Room for improvement?

If your anger or frustration starts to become something that you cannot handle on your own, reach out and ask for help.

REMINDER: It is highly recommended by healthcare professionals to receive your COVID vaccine in order to protect yourself and those around you as well as alleviate some of the pressure on our healthcare system.

If you are 12 and older and have not yet received your vaccine, please do so ASAP!

Pie Anyone?

- Pumpkin pie is second in popularity (13%) according to the American Pie Council, just a few points behind apple pie (19%)
- Pie isn't just for desert. 35% of Canadians have eaten pie for breakfast, 66% have enjoyed pie at lunch time and a whopping 59% like munching on pie for a midnight snack.
- Planning to enjoy Thanksgiving diner at someone else's house? Pie (29%) is what most people will bring with cake at 17% and cookies 15%

Mural Signing Ceremony
April 30, 1996

On Sunday afternoon, April 21, 1996, a dedication and mural signing by Patricia Siggelkow was held at the Coronach Curling Rink. Mrs. Patricia Siggelkow spent last summer painting a mural on the west wall of the curling rink. This is known to be the largest indoor mural, painted by a senior citizen. The mural depicts sports and entertainment scenes for each season of the year from the past and the present. MC for the afternoon was Deputy Mayor, Skip McBain he welcomed everyone and introduced "Kindred Heart," a local band comprised of Ron Noble Camille, Melissa and Joel Noble and Kevin and Belinda Jeffrey, with Sandy Noble in charge of the sound system, who played several numbers during the afternoon. Messages of congratulations were heard from Skip McBain on behalf of Town of Coronach, John Totton Reeve of the RM of Hart Butte #11 as well as letters from Ned Shillington, minister of intergovernmental relations and Glen McPherson MLA Wood River consistency. Hartley Urquhart recited a piece of cowboy poetry which he had written. Leanne Krusky then us some of the highlights of working with Pat while she painted the mural. Patricia spoke about the mural, which she dedicated to all of the volunteers, and pointed out particular parts of the mural and their meanings. Pat painted this mural in conjunction with Saskatchewan 90th year. To complete the afternoon, Pat signed the mural. Lunch and coffee were enjoyed by all.

Resident Chatter:

Thank you to Jasmon at the Health Center for getting the residents to answer questions and sharing them with all of us!

Alice

What was your first job?
Working for my father
What did you do?
Worked the garden and milked the cows
How much were you paid? I don't know how much

Helen

What was your first job?
My first paying job was a teacher
What did you do?
Taught lessons, acted out anything we could (kids liked that) and played ball against other schools
How much were you paid?
\$130/month

Art

What was your first job?
I served on council for the RM
What did you do?
Looked after roads and picked stones
How much were you paid? I don't remember

Christine

What was your first job?
Teaching
What did you do?
You have to have all your agendas planned. And you would bring the children in for games. Teaching was very rewarding.
How much were you paid? I got it all written down, but I don't remember off hand

Bernice

What was your first job?
The neighbor would ask me to watch her children. Sometimes she asked me to tidy the house.
What did you do?
Babysat, cooked, cleaned and visited
How much were you paid? I didn't get paid with money, I got paid in other ways

Albert

What was your first job?
Farming
What did you do?
Grew wheat and grain
How much were you paid?
No I don't remember the price of grain back then, that was a lot of years ago.

Lucille

What was your first job?
My first paying job was babysitting
How much were you paid? That's a long time ago, I can't remember

Ronnie

What was your first job?
At Borderland school putting gyprock on the walls
What did you do?
Put the gyprock up
How much were you paid? \$1/hour

Hey everyone! Just wanted to let you know that I resigned as a volunteer for the Operation Christmas Child shoeboxes! I will still be supporting the organization but won't be setting up the shoebox stands or shipping them from Coronach. You can check the Samaritan Purse website for a list of drop off locations! Thanks for all your support over the last 12 years! If anyone is interested in becoming a volunteer you can find info on their website!

CORONACH

Tourism

Coronach Tourism has had an amazing 2021 season. We opened in the middle of May and continued to take tours out until the last week of September. We were able to take out 223 tours with a total 742 people, bringing that many more people into the community to enjoy what we have to offer. We couldn't have done it without our fab 4. Jasmine Switzer from Balgonie and Jillian Swanson from Calgary, both with ties to Coronach, as well as Jordan Eger and Teagan Vellacott from right here in town!! They were all kept on their toes for the summer planning tours and providing information to anyone who asked. They also did a lot of work at the museum, printing up information for the displays and keeping it running smoothly over the summer!

This year our amazing guide, Leanne, was able to train Jasmine and Jillian to guide some tours. Which was extremely helpful for Leanne to have some days off! In the past Leanne rarely got a day off due to the large volume of people that go through! Mable Shain was even able to take a couple tours out early in the season. The amount of work all these ladies put into accommodating our tours was phenomenal.

Some reviews from trip advisor, google and square

Had a fantastic tour today with Leanne as our guide. She was so knowledgeable and personable. The tour itself is overflowing with amazing scenery and interesting story about the history of Big Muddy and area!

Saskatchewan has an intriguing and sometimes amusing history that we too rarely hear about. The 5 1/2 hour tour kept our group engaged and entertained. Leanne was a terrific tour guide and great story teller. The personal stories of the settlers, ranchers and outlaws made this a unique experience.

It was fun to explore more of Southern Saskatchewan! Our tour guide, Leanne, was very knowledgeable and had some great stories and interesting facts. Castle Butte was everyone's favourite, especially my eight year old niece as she was able to climb and explore the rock. The short tour was the right length for us. Happy to support local tourism!

We totally enjoyed ourselves and Jillian was priceless

Aside from our staff, the season would not have been possible without the support and permissions of the landowners whose property we go on. We're so appreciative of their willingness to support tourism and allowing us to bring vehicles out daily to tour! Thank You to: Stacey & Sheri Anderson, Roland Klesse and Joey & Charla Holbrook. As well as the community of Big Beaver for letting us make them part of our tours. Paisley Brook School, Nature Centre and Aust's General Store and the Big Beaver group for catering lunches for our bus tour!

BE A TOURIST IN YOUR OWN TOWN!!! Next year we would LOVE to see more locals go on our tour, we can GUARANTEE that you will LOVE every story Leanne will share with you about our sites. Watch for a special offer in the "Coronach Connection" next season. Wishing everyone a great fall & winter and we can't wait to be back at it next year!
