Lorne

Birthdate: October 28, 1931

Favorite meal - fruit, meat and potatoes
Favorite kind of cake - any cake will do....
but chocolate if he HAS to choose
Favorite drink - milk straight from the
cow
Most memorable birthday was
celebrating his birthday along with the
farms 97th year. He will never forget
that! All the family home together, taking
pictures in front of our home.

Happy Birthday Lorne !!!

Thank you to staff at Health Center for
always helping me out in obtaining these
answers from the residents. I appreciate
your help immensely Melissa, Jasmon and
Michelle!

straw.

The Old Farmer's Almanac Predicts a "Sneaky Cold" Winter

The 2023 Old Farmer's Almanac Canadian Edition

August 29, 2022

2022-2023 Canadian Winter Forecast Summary

* Winter will arrive early, with cold temperatures dropping down from the Yukon and northern Alberta to settle in across the Prairies and into southern Ontario and southwest Quebec.

* By mid- to late November 2022, icebox conditions will arrive—to likely worsen as the season progresses. For example, in January, temperatures on the Prairies will average 7°C below normal.

* While temperatures throughout the rest of Canada will be normal or nearly so, this doesn't mean that these areas will be spared their own winter woes: Several major snowstorms are predicted for southern Quebec and Atlantic Canada, with the first arriving before the end of November!

* Much of Ontario will also see increased snow, while the southern portions of the Prairies and most of British Columbia will sometimes be more wet than white, with sleet and freezing rain more prevalent than usual.

Coronach's wonderful EMS team offers weekly blood pressure clinics. Anyone can drop in to be checked out!

Thursdays - South Winds Manor @ 10:00am

Fridays - Pretty Valley Lodge @ 10:00am

Thank you to EMS for helping to stay on top of our community's health!

Ambulance Fees 2022

Basic life saving pickup fee is \$245 for Saskatchewan residents

Advanced life saving pickup fee is \$325

Basic fee for non provincial residents is \$360

There is also a kilometer fee of \$2.30 for rural residents

There is also a wait time fee of \$50-\$100/ hour if ambulance waits in large center to return patients home

There is extra fees for special escorts if ex :other health care professionals or nurse has to ride along for care

If Stars or Air ambulance have to be called to intercept patients for transport there is a fee of \$465 per flight

Ambulance can respond to a patients home and if the paramedics find the patients can go by car or if the patient refuses to be transported there is a fee of half the base rate, it is no longer a no charge service.

Picture Day

Daycare, Pre-k &
retake day

Wednesday, October 12

October 4 is Cinnamon Roll Day – ooey, gooey, and best served warm with fresh coffee, cinnamon rolls are a perfect breakfast for chilly fall weekends. For Cinnamon Roll Day, try making your own rolls from scratch. If you really want to take your cinnamon rolls to the next level, layer pieces of lightly baked bacon into the strips of dough before baking.

October 7 is National Frappe Day – for the days when you're sick of plain old coffee, there's always a delicious frappe. This iced coffee drink with milk and sugar originated in Greece when a businessman couldn't find hot water to make his instant coffee. He used cold water and ice instead, and the frappe was born.

October 17 is National Pasta Day – pasta is delicious hot or cold. It works in elaborate dishes with sauces, meats, cheeses, and veggies. And it tastes great on its own with just a little butter. Celebrate everyone's favorite carbohydrate today with a plate of spaghetti and meatballs, macaroni and cheese, homemade pasta salad, or another favorite pasta dish.

Attention Business Owners!! Year round advertising is here!!

The Coronach Sportsplex is a very busy place during the hockey and skating seasons. Hundreds of people walk thru our doors whether it be visiting teams, family, friends or local patrons. In the off season we have weddings, grad, trade shows, etc that continue to bring people through the doors. We are extending this offer to you to become or to continue to be a part of that action.

How it works: You are required to design and purchase your sign. Once you have your sign contact us, pay your advertising fee and drop off at rink and we will proudly hang your sign. Every fall the Recreation Board will send you renewal forms; if at any time you decide not to renew, your sign will be returned to you. This endeavor benefits both of us, it is a great fundraiser for our rink while at the same time advertising all our great local businesses.

If you have any questions you can contact Heather by email at coronachrecboard@sasktel.net or by phone at 267-7247.

Thank You for your support & we love helping you advertise your business!

Parents please discuss with your youth the importance of respect for public property. We have had incidents in the fitness center in the past. If your youth came home covered in chalk on the weekend of Sept 10th chances are they were in the fitness center; not with the intentions of working out but to horse around and make a mess with chalk and chalk balls that are for working out. It is very disheartening to our board members and gym members to get messages that the gym is a mess. Then going there to find out that someone threw the balls all over the gym as well as outside. Memberships go towards rent. All of our equipment is through fundraising and grants from local groups. However we can not afford to repair or replace stuff due to neglect ! We have a wonderful facility and would like to keep it that way, so due to the actions of others we are forced to install cameras to protect our space and equipment! We have many youth that enjoy the space as well and would like to continue to keep it accessible for everyone of all ages !

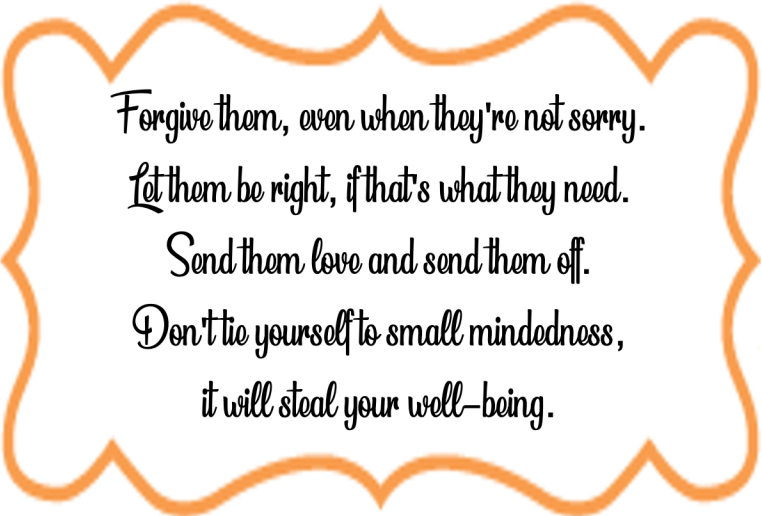

Coronach Community Fitness Center Board

Don't just thank a farmer

Thank their spouse for cooking, delivering meals, going for parts, or moving feilds all while taking care of their usual jobs.

Thank the hired man/woman for working endless hours on sleepness nights to ensure the crop comes off.

And thank their children who are ok with seeing them just for a brief moment while they eat meals in the field.

Farming is a family business and it takes a sacrifice from all.

So don't just thank a farmer,
Thank the family.

Remembering Cam Gibson

We would like to let the community know about the new Free Little Library across the street from the school in Brenda Foley's yard. This box was the idea of Haleigh Foley in honour of her cousin, Cameron Gibson. She wanted to do a memorial project and her Dad, Clancy helped her build it. Their whole family has made the project come to life as well as some other family members who helped install it. Also thanks for Brenda for having it in her yard. Haleigh knew Cameron loved reading. So please feel free to take a book if you see you one like and/or leave a book if you have one you're done with and want to pass on. We hope the community enjoys using it in Cameron's memory. We are honored Haleigh did this project to keep Cam's memory alive.

Kathy & Jennifer Gibson

Roses for mental health

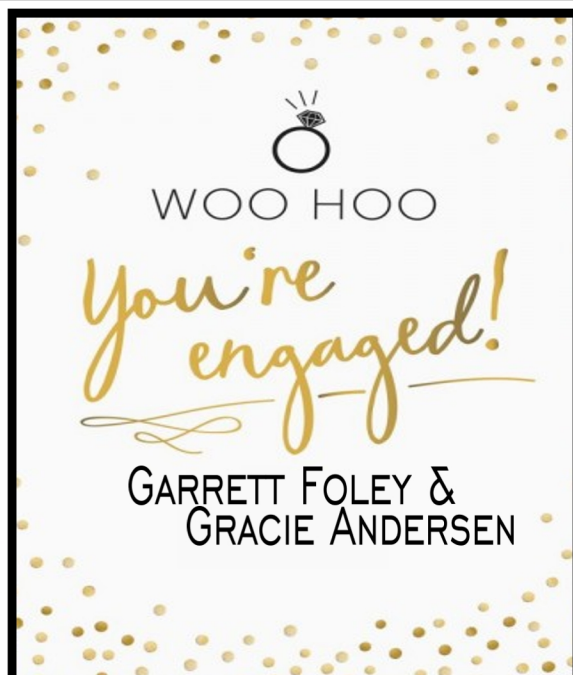

Thank You. Thank You. 127 dozen roses were sold raising \$3,175.00 to assist mental health programs for the surrounding communities of Assiniboia. Many purchased roses and shared them with neighbors. Fantastic idea; we live in such a caring community! See you next year.....

RIDDLE
ME
THIS

* A man is washing windows on the 25th floor of an apartment building. Suddenly, he slips and falls. He has nothing to cushion his fall, and no safety equipment—but he doesn't get hurt. How is this possible?

* With pointed fangs I sit and wait; with piercing force I crunch out fate; grabbing victims, proclaiming might; physically joining with a single bite. What am I?

October is Down Syndrome Awareness Month

October is Down Syndrome Awareness Month, a chance to spread awareness. During the month of October, we celebrate people with Down syndrome and make people aware of their abilities and accomplishments. It's not about celebrating disabilities, it's about celebrating abilities. We can learn about the history, educate ourselves and give love, support and encouragement.

Coronach Housing Tenanats Association would like to thank Top Gun Feedlot Inc for the donation of 6 spruce trees for the start of our green space.
Thank you to Arnold Manske for donating all his time and expense. He hauled the trees home, helped plant the trees and since then has been countless hours watering and caring for them.
Thank you to Bryce, Justin and Earl Willford for digging the holes to plant the trees.
Thank you to Coronach Housing Authority, Ryder Wesson, and Cam Kupper in planting them.
Big thank you to Mike Martin for the donation of \$1150 from his car shows. It will be used for the next phase of the green space.
And finally, thank you to the Coronach Kinsmen for the donation of the defibrillator.
We appreciate everyone's support and are blessed to live in such a generous community.

World Mental Health Day

School Golf News

On September 16, Coronach school golfers travelled to Assiniboia to compete in District Golf. The Senior golfers consisted of Ashton Rousseau, Owen Dionne, Carter Bartlett, Jordan Eger & Shelby Schnell. Walker Marshall the representing the junior team. It was a perfect golf day and from there Carter, Jordan, and Shelby moved on to Provincials in Jackfish the following week. Facing some tough golfers the Coronach group had to work hard. Carter shot 87 the first day and 100 the 2nd. Jordan stayed consistent shooting 109 and 108 and Shelby 130 and 121. To experience golfing at such a prestigious event was something they should all be proud of. Carter received as a bronze medal for being part of the Prairie South boys team.

Congratulations to all golfers for their hard work and to coach Mrs. Gagne for her dedication to them!

He was washing windows inside

A stapler

Some Halloween rituals used to involve finding a husband. During the 18th century, single ladies devised Halloween traditions that were supposed to help them find their romantic match. According to History.com, women used to throw apple peels over their shoulder, hoping to see their future husband's initials in the pattern when they landed. .

~ Coronach Tourism ~

The 2022 tourism season is officially over and was once again, very successful! We were able to take out 202 tours, bringing 802 more people into the community to enjoy what we have to offer. We couldn't have done it without our local employees! McKinna Cairns who graduated in June, Sarah Guskjolen who will be graduating this year and fresh into the workforce (also one of our best customers), Jennifer Sweetnam. They were all kept on their toes for the summer planning tours and providing information to anyone who asked. They also did a lot of work at the museum helping to keep it running smoothly over the summer!

This year Leanne Kuski was able to train Elaine Hicks to become a guide, which has been a very welcome addition to Coronach Tourism. Not only was Elaine extremely helpful in providing Leanne some days off, but was loved by everyone who had the privilege of taking a tour with her! In the past Leanne rarely got a day off due to the large volume of tours. The amount of work all these ladies put into accommodating our tours was phenomenal.

Some of this years reviews :

- * "Leanne was fun, knowledgeable, patient and kind. She packed so much into our tour that the day just flew by"
- * "Elaine was wonderful. She was full of energy and had so many great stories about the area. She had lots of patience as my sons started to get tired and offered to take lots of pictures. She was very knowledgeable and had a great style"
- * Elaine was awesome. Thoroughly enjoyed it all, so nice to chat with and really tried to get all of the information out as accurate as possible and without notes a lot of the time!"
- * "Leanne was extremely knowledgable. Loved all of her stories."
- * "Leanne was fantastic. She was very knowledgable, considerate and full of great appropriate stories"
- * "Leanne was great. Very educated."
- * "They were great!"
- * "Our guide was excellent. Very knowledgeable, promoted Coronach and area with pride."

Aside from our staff, the season would not have been possible without the support and permissions of the landowners whose property we go on. We're so appreciative of their willingness to support tourism and allowing us to bring vehicles out daily to tour! Thank You to: Stacey & Sheri Anderson, Roland Klesse and Joey & Charla Holbrook. As well as the community of Big Beaver for letting us make them part of our tours. Paisley Brook School, Nature Centre and Aust's General Store.

BE A TOURIST IN YOUR OWN TOWN!!! Next year we would LOVE to see more locals go on our tour, we can GUARANTEE that you will LOVE every story.

Wishing everyone a great fall & winter and we can't wait to be back at it next year!

Council Meeting Highlights –September 13th, 2022

1. The Town of Coronach Staff and Council are happy to announce that the Generator backup system at the Sewage Lift station is fully commissioned and operational. This means a consistent and reliable backup power supply ensures sewage is pumped to the lagoons during power outages and reduces stress for our hardworking crew. There are more upgrades to come with new alarm systems in internal electronics and improved ventilation. Thank you to the Municipal Economic Enhancement Program for funding this project.
2. Thank you for your support of the Hall in the purchases of the items from 331 Westview. The sale proceeds from the house, co-owned by the Town and RM of Hart Butte, are dedicated to a van program for seniors and health centre residents to travel to appointments and events. We will keep you posted on the progress of this program.
3. The Town of Coronach will be discontinuing the rental of 6-yard red bins effective October 1st, 2022 due to higher-than-expected costs for the ongoing rental, delivery and coordination of the bins that would result in raising the rental fees by four times our current rates. Any demolition waste can be taken to the landfill/transfer station. Rates and times for the transfer/landfill are available at Townofcoronach.ca/government/municipal_services.
4. As we approach winter, remember to clear your sidewalks for pedestrians and that snow and sanding equipment will be on the roads. Please stay 2 car lengths away from any snow equipment to ensure safety and the safety of our operators.
5. We remind you that the Used Oil Depot at the Town shop was closed on September 30th, 2022. A tender for the Oil tank collection unit will be posted upon the decision of the council.
6. If you require a large green waste collection of bagged leaves, please call the town office. This service is \$50.00/collection (maximum half-ton truckload per collection). Bags must be compostable or paper, regular clear or black or orange garbage bags will pay additional charges will be applied for labour to open and empty bags by the staff at the landfill.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN THAT in accordance with the Public Notice Policy Bylaw adopted by the Town of Coronach in accordance with The Municipalities Act, the Town Council of the Town of Coronach will participate at its regular meeting to be held at 6:00 pm on October 17th, 2022 the Town Office, 212 1st St. East as a replacement for the regularly scheduled date of October 11th, 2022.

Dated this September 14th, 2022

At Coronach Town Office

C MacKay-Wilson, Chief Administrative Officer.

**Thank you to SGI Canada for the grant
funding for the new crosswalk signs to
make Coronach pedestrians a priority!!
Thank you to the RCMP and the school
for their support on this project.
We plan to apply for additional signs in 2023 to
develop safe walking routes throughout town.**

Monday., Sept. 12, 2022 | FOR IMMEDIATE RELEASE

More Than \$1.2 Million Investment Approved for 16 New Coal Transition Projects

Coronach, Sask. – Today, South Saskatchewan Ready announced it has approved more than \$1.2 million toward 16 projects to support community priorities, help local businesses create jobs, grow tourism and highlight opportunities in the region.

The \$1,249,352 in funding has been awarded to support the following projects:

- **Videre Energy: \$250,000** – Conversion of carbon to value-added products for the agricultural and energy sectors in the RM of Hart Butte and Town of Coronach. Videre has received a second round of funding to complete Phase 2 of product identification and feasibility.
- **Dosch Organics: \$100,000** – Expansion of AgriValue food manufacturing in the Town and RM of Willow Bunch. Dosch Organics has received funding to complete Phase 2 of their project to accommodate larger distribution facilities and the creation of additional efficiencies.
- **Valley AG Co-op: \$50,000** – Equipment upgrades for seed cleaning in the Town of Bengough.
- **Gold's Custom Meats: \$50,000** – AgriValue Food equipment for meat processing in the RM of Willow Bunch.
- **Coronach Golf Course: \$40,000** – Tourism and regional recreation facilities expansion for off-season operations in the Town of Coronach.
- **Poplar River Community Park: \$80,000** – Tourism and regional recreation facilities expansions to accommodate more visitors to the region in the RM Hart Butte.
- **Regional Biomass Feasibility: \$50,000** – AgriValue biomass certification rating for business and investment attraction in the region.
- **EDY Community Cooperative: \$23,000** – Equipment for recycling agricultural plastic waste to other products in the Town of Coronach.
- **Nielsen's Welding: \$12,500** – Equipment upgrades to retain trades in the region addressing a priority need in the Town of Rockglen.
- **Hart Electric: \$50,000** – Equipment upgrades to keep trades in the region addressing a priority need in the RM of Hart Butte.
- **May B Sew: \$53,718** – Equipment upgrades to allow for a larger range of products offerings making this company in the Town of Coronach more competitive in larger and more distant markets.
- **Coronach Agencies: \$7,500** – Marketing software tools to expand markets and automation for new efficiencies in the Town of Coronach.
- **Rockglen Museum: \$25,000** – Upgrades to museum building to allow for expanded operations period and upgrades to displays in the Town of Rockglen.
- **Bengough Municipal Parks: \$50,000** – Expansion and upgrade of facilities for the Gateway Festival to allow for a better visitor experience and accommodation of higher volumes of visitors in the Town and RM of Bengough.
- **Wood River Controls: \$327,634** – Expansion and upgrade of 50/10 mbps Internet access for residents of Rural Municipalities, which will contribute to regional GDP growth of 7 to 10 per cent in the RMs of Hart Butte, Poplar Valley, Happy Valley, Bengough and Willow Bunch.
- **Jean Louis Legare Coulee Project Plan: \$80,000** – Move and restoration of the historic 112-year-old Gosselin Barn for events in the RM of Willow Bunch.

"Dosch Organics has always wanted to produce our product locally where our inputs are grown and harvested. In the past two years, our Wheat Crunch product has become extremely popular not just in Saskatchewan but also internationally, which means we need to produce more product. South Saskatchewan Ready has been instrumental in helping us achieve our goals of manufacturing locally and expanding our market," said Dean and Darlene Dosch, Dosch Organic Acres.

"May B Sew is grateful to receive funding from South Saskatchewan Ready. The funding will help us purchase new equipment to manufacture a range of new product offerings which will help us compete in larger markets. It will also help us sustain our business, as we navigate federally-mandated coal transition," said Shannon Martin, Owner of May B Sew Stitchery.

"The Government of Saskatchewan is proud to play a role by investing \$2 million in provincial funding toward this initiative lead by South Saskatchewan Ready. The tenacity, hard work and innovation of these entrepreneurs will help make our great province even stronger," said Saskatchewan Government Relations Minister Don McMorris.

"We have worked closely with the Government of Saskatchewan over the past two years with great success. The number of new and existing business in the region that accessed funding provided to us by the province to mitigate the negative economic impacts of mandated coal transition have truly made a difference," said Sharon Adam, Chair of South Saskatchewan Ready.

This is the second and last round of projects approved for funding by South Saskatchewan Ready. This first round approved five projects. Following today's announcement, the total number of approved projects is 21.

South Saskatchewan Ready is an economic alliance of nine municipalities in the south-central region of the province working to mitigate the negative economic affects of federally-mandated coal transition. It includes the towns of Bengough, Coronach, Rockglen and Willow Bunch, along with the rural municipalities of Bengough, Happy Valley, Hart Butte, Poplar Valley and Willow Bunch.

4-H REGISTRATION

Coronach Light Horse
4H Club

CANADA
4-H Saskatchewan

The Coronach Light Horse 4H club is taking registrations for the 2022/2023 year!! Please go to <https://4hs.imiscloud.com/4HSK> to register. You have until Nov.15 to register without a late fee!!

This is our 2nd year and so far we have 10 kids registered! We run from September to June and try to ride once a week. In June we will have our Achievement Day and we also do clinics, winter projects, public speaking, parades, and other fun activities throughout the year.

Come out and watch the kids to see what it is all about. If you have any questions, please contact

Michelle Myren at 306-459-7867 or Amber Winter 306-265-7170.

Coach - Miss. Svenson

October 4 - Coronach @ Rockglen
October 11 - Coronach @ Bengough
October 18 - Rockglen @ Coronach
October 25 - Coronach @ Assiniboia

Volleyball is regarded as one of the most popular sports worldwide, right behind soccer. It was invented by William G Morgan in 1895 - he wanted a game where players weren't required to run. Volleyball borrows elements from other games. It borrows the net from tennis, the ball from basketball, the idea of playing with your hands and playing off the overhangs and the walls from handball, and borrows the concept of innings from baseball.

FIGHT the FLU

Coronach Curling Rink

Tuesday, October 11, 2022

10:00-12:30 I 1:30-5:00

Closed for lunch 12:30-1:30

Coronach Primary Care Clinic

Thursday, November 3, 2022

1:00-5:00

*Walk in Clinic only *
COVID-19 Vaccines will not be
available at these clinics

You got your COVID-19 shot,
now protect yourself and your
loved ones this season

So very THANKFUL

Coronach Rec Board is extremely thankful to Schnell Enterprises for all their work they have done at the rink, ball diamonds, campground and pool over the years. The whole family devoted their time to making sure that everything is well kept, maintained and looking great. We loved them as our staff and never had to worry that everything was being looked after.

Sadly they have made the decision to not work at the rink anymore. Thank you very much to them for their devotion to the rink, whether it be planning a fundraiser for rink, hauling back empty jugs for pool, running down to sharpen skates or a 2am drive to pool in storm to check the pumps. Your dedication has helped to keep the building open, accessible and viable for our community!

On that note we would like to introduce Kelsee Pera - the new Sportsplex facility manager/operator. Kelsee has been training over the summer and learning the building and area. Also in that time she has painting the inside of the building and improving areas that needed some love. Please be patient and helpful as we enter hockey/curling season as she will be learning as she goes under Rec Board guidance. We are thankful to have Kelsee on staff and know she will be an asset to the facility.

To book the rink/ice please phone Kelsee at 267-2318

RINK

REPORT

- everything is going as predicted and Ainsworth has still set a November 15 start up date for our rink.

- What that means.....Usually we start making ice on Thanksgiving weekend and it's ready to skate 7-10 days later. For example, in 2021 our first day open was October 23. Hockey practices began week later and we started cooling the pad for the curling rink. So we will be hustling to get ice in as soon as possible but it will definitely be a late season.

- once ice is in a monthly schedule will be put in the newsletter but please also check out our Facebook page - Coronach Sportsplex & Recreation or follow the Coronach Connection Facebook page which lists all the daily events in town.

- please also follow our Facebook page for all the latest updates on the new refrigeration plant!

- Kelsee is a new employee and will be treated with respect and patience. She will be learning and the Rec Board will be training her but there will be situations that arise that we are not yet prepared for - please use these times to lend a hand

LiveBarn
