

CORONACH CONNECTION

APRIL 2023

Thank you

Another fantastic rink season in the books! It was a short one but we are so happy with the new ice plant and the worries that have been diminished!

Few thank you's to end the season -

- thank you to Ainsworth who installed our ice plant and who have been excellent to deal with. We still talk with them often and are continually learning new things about our plant. Also thank you to Clayton & Kurt with BJs Refrigeration for taking the time to come down and learn the system.
- thank you to all the teams, figure skating club and curling club for your support this season
- thank you to minor hockey for running the kitchen this season - this is a tremendous undertaking for a club, ordering, staffing, organizing, etc. You all provided great food with great service at every event and we were happy to support such a great crew!
- to Kelsee for taking bookings for ice and keeping the place nice and clean!
- to everyone that supervised public skating throughout the season, we're grateful you give your time so others can enjoy our rink
- to the Curling club for taking a risk and trying new things - glow curling was a huge hit!
- to everyone involved in the installation and removal of ice for the season - such a huge job that everyone takes for granted
- to the RM of Hart Butte for hauling water for us - our ice always looks so nice and white because of you guys!
- to the town crew for snow removal all season long
- to Southland Coop for the donation of propane for the zamboni
- special thank you from Jeff and I to Rodney Setrum, Travis Willford and Bryce Willford for stepping up this season and taking over some of the maintenance of the rink/ice and driving the zamboni when we needed. We appreciate you all for sharing some of the workload
- and the everyone else that steps up and helps out at the rink when they see something needs to be done - thank you! It takes a community to maintain a building so large and so widely used. You all make a difference!

thank you

The Merchants would like to say a BIG thank you to all of the fans, the community support, sponsorships, and volunteers!

Thank you to Ron Mamer, Grant Noll, and Grant Elder for running the clock and score, Minor Hockey for running the kitchen, Dallas Elder for running the music, 50/50, bar, and gate workers, the rink staff, and Lynn Noll for handling all of the behind the scenes work! We would not function without all of you. Cheers to another great season! See you next year!

Coronach Minor Ball 50/50

100 Tickets sold
\$50 per ticket
Prize of \$2500

Tickets will be sold by members of the Minor Ball Board.

Thank you in advance for your support.

All funds raised will go towards equipment purchases, such as balls, bats, an indoor batting cage, and a future pitching mound for younger age groups, etc...

As a group we have applied for grants, but wanted to do our part in the fundraising for this equipment. We have well over a 100 kids registered for ball this year, and are fortunate enough to be hosting Baseball playoffs in June.

Thank you in advance for your donation with a chance to win big!

Basketball season begins at Coronach school every November and the end goal every season is to make it to the provincial playoffs at the end of March. This year both the senior girls team as well as the boys team advanced to Hoopla in Prince Albert on March 24 & 25. Both teams, as well as the numerous fans that had made the drive, were there to cheer each other on.

The first game was on Friday, March 24 with the senior boys team playing Allan at 2:30. It was a win, defeating Allan 92-51 putting them in the final Saturday at 3:00.

Next up was the girls who were taking on Gladmar at 6:00. In a hard fought match Coronach sadly lost 48-33. Saturday the day started with the girls playing at 1:00 against Keneston. With their hard work and the crowd cheering them on they pulled out a win 41-38 taking home the Provincial 1A girls bronze medal.

While the girls were wrapping up their win, the boys were warming up at another gym for the championship final against Lake Lenore. It was a packed gym, both teams had so many fans there to support them! It was a nail biter of a game - the boys never lost their confidence and the crowd never stopped cheering them on. In an exciting finish the boys secured a win defeating Lake Lenore 60-56.

Thank you to the coaches and managers for the season ~ it is a long season and the coaches give so much of their own time in helping to secure the success of the teams. Also to the all the dedicated fans that follow the teams everywhere to cheer them on! I'm biased but I believe we had the best fans ever that cheered the teams on!

Special thank you from Sr boys families goes out to coach Barb Kessler. Barb has been involved on with senior boys basketball since 2018, whether it be assisting or coaching. Her time and effort that she poured into these teams does not go unnoticed. We couldn't think of a better way to cap off her coaching career then with this spectacular win. We cannot thank you enough for your commitment and for encouraging our boys every step of the way.

* also thank you to the rest of Barb's family - Steve was a master organizer behind the scenes and we realize all the work you put in making sure things went smooth. And to Dennis, Betty and Jeanette - the best cheering section that never missed a game. I know these boys will never forget seeing your faces at every game!

I was driving when I saw the flash of traffic cameras. I figured that my picture had been taken for exceeding the limit even though I knew I was not speeding.

Just to be sure I went around the block and passed the same spot, driving even more slowly, but again the camera flashed. Now I began to think this was quite funny, so I drove even slower as I passed the area once more but the traffic cameras again flashed.

I tried a fourth and a fifth time with the same results and was now laughing as the camera flashed while I rolled by at a snails pace.

Two weeks later I got five tickets in the mail for driving without a seatbelt.

You know you can't fix stupid.

Council Meeting Highlights - March 14th, 2022

1. The Coronach Community Hall is almost ready for viewing. The Committee Hall Committee is managing the replacement of the contents and replenishment of their inventory. Congratulations to the Committee on receiving grant funding for a lift chair system for the stairs at the south entry from New Horizons Seniors Funding program!
2. Mayor Martin and Councillors Achtymichuk and Guskjolen will be attending the Saskatchewan Urban Municipal Association Convention in April to represent the Town of Coronach.

Watch for ongoing updates about the Downtown Coronach Renewal Program! Be sure to be signed up for the Voyent Alert program to know about water works and sewer works construction that may affect you like Precautionary Drinking Water Advisories or street closures.

Do you need a phone call instead of a text?
Call the Town office and we will help set you up.

Let us be encouraged that- "For God in all his fullness was pleased to live in Christ, and by him God reconciled everything to himself. He made peace with everything in heaven and on earth by means of his blood on the cross. This includes you who were once so far away from God. You were his enemies, separated from him by your evil thoughts and actions, yet now he has brought you back as his friends. He has done this through his death on the cross in his own human body. As a result, he has brought you into the very presence of God, and you are holy and blameless as you stand before him without a single fault. But you must continue to believe this truth and stand in it firmly." Colossians 1:19-23 Jesus changes peoples lives through his blood.

Happy Easter ~ Blessings,

Businesses for Sale

	Type of Business	Description	Price
209 1st Street East	Retail	Come checkout this great retail store in the heart of Coronach. Current set up could allow two separate operations, each with their own door, or ability to use the entire space is available. The retail side has a large cabinet that is great as a checkout counter. Lots of room for display as well as a storeroom behind. The south side consists of a large room that could be used for meetings or large displays	\$69,000
143 Railway Avenue	Accommodation	The Country Boy Motel features 25 rooms plus an owners two-bedroom suite. It has shown an excellent return in previous years. A clean and well maintained property. Located on over an acre of land it provides plenty of on-site parking.	\$749,000

What a wonderful community to live in. After the blizzard, I saw neighbours helping neighbours clear out driveways, community members with snowblowers clearing off the streets so cars could get through and town employees working overtime on Saturday and Sunday to keep the priority streets cleared for the Health Centre, Fire Protective Services and Police Services. Thank you to everyone for pitching in and keeping Coronach on the map as a great community to live in.

Mini Mart

Owners - Owen & Wing Ou

Years in Business - Owned business since October 2020

Business Hours - Monday - Friday 10am-9pm, Saturday & Sunday 11am - 9pm

Tell us about yourself.

My name is Owen, and my wife's name is Wing. We have two boys: Haolin and Zirui, who are in Grade 9 and Grade 4 respectively. We come from China. We all love the small town of Coronach. We made many new friends and got help from a lot of people here.

We all enjoy traveling. In the past two years, We have traveled many places in Canada. We have a plan to go to Niagara Falls this summer.

What made you decide to buy Mini Mart?

Before I decided to buy the Mini Mart, I inspected many Canadian businesses. In addition to my satisfaction with MINI MART's business, I like Coronach, a small southern town. It has perfect schools and kind teachers. The people of Coronach are so nice. There is a lake near by Coronach, so I don't need waste much gas to go fishing. Mini Mart had many favorite ice cream, which is the best thing in the town. Mini Mart is the one of the town people favorite place. Facts have proved that I am right. Anyway Mini Mart's ice cream is the most delicious dessert in Canada.

What do you offer at Mini Mart?

MINI MART provide many kinds of products: ice cream, food, candy, daily necessities, musicbox, 3D pictures, camping light, christmas light, candle, lottery tickets, beverages, hardware products, greeting cards, cigarettes, Vapes, children's toys, water, special holiday gift, etc...

What is your best seller?

Ice cream is our best selling. Mini Mart's ice cream is the best in Canada.

People who buy lottery at Mini Mart are the luckiest, because people who buy lottery tickets here often get good luck big win.

The coffee ladies who come to Mini Mart to drink coffee every day are very humorous. They chat and share the fun of life together every day.

They had the best time in here. We had lots of laughs all the time. Mini Mart welcomes everyone in the town to join the chat life of coffee ladies to share the interesting things in their life.

What is your favourite thing about owning a business in a small town?

The people in the town are very friendly.

The teachers in the school are very patient and nice.

The police patrol Coronach every day, which makes us feel safe.

And people in the town are very supportive of the business in the town. We have been helped by many people here, and we are very grateful to them.

Is there any disadvantages to owning a business in a small town?

The only drawback of our town is that there is not much food.

Do you have any future plans/ideas for mini Mart?

In the future, we plan to provide delivery service. For those who do not have the time or ability to come to Mini Mart to buy groceries.

Bonus: What are some of the surprising thing you found when coming to Canada?

- The school students finish school after 3:30 every day, and the students have no homework. The students are really happy. They can enjoy their childhood time. From the first grade to the 12th grade in China, students go to school from 7 a.. to 5 p.m. After school, they need to do their homework until more than 9 p.m., and some even can't finish their homework until 11 p.m.

- Colleen, a senior employee of Mini Mart, was a big surprise to me. She helped me do a lot of work. With her help, the Mini Mart did so well. We are so lucky to have her in our life.

- We meet kind people in Coronach. They are helping us anytime, like our family. We are feeling loved in this town.

- It is easy to catch fish in every river, and the fish are very large.

- Humans and animals coexist peacefully. Small animals can be seen everywhere around our living environment: squirrels, rabbits, deer, foxes, etc. Especially in the backyard of our house, rabbits and squirrels often patronize.

- The snow in Saskatchewan is really heavy in winter.

HAROLD SIGGELKOW ARENA

On Saturday March 25th, at the Harold Siggelkow arena, the Coronach Horsemen's Association held their Winter Series Finals. The series consisted of peewee, junior and open jackpots for Barrel Racing, Breakaway Roping and Team Roping. There was a total of 4 Peewees, 18 Juniors and 37 adults who competed in the Series. Thanks to the generosity of the following sponsors: Richardson Pioneer, Hart Butte Farms, Poplar River Pharmacy, Coronach Agencies, Don & Marlene Mitchell, Prairie Creations – Jessica Woitas, and Zesterra – Tanya Leonard the following prizes were awarded: 4th place winners received caps, 3rd place winners received halters, 2nd place winners received cooler bags and 1st place winners received buckles. As well, all the Peewees received a custom hoodie and hair scrunchy. The Coronach Horseman's Association also recognized Tim & Kathy Hammel with a pair of Lifetime Member buckles for their many years of service to the organization.
Thank you to all the hard-working, generous people for hosting the series, the participants and to all the sponsors for the wonderful prizes, we can't thank you enough!

Southland Co-op is excited to share we have joined the Canada Plastics Pact (CPP), together with Federated Co-operatives Limited and over 160 local Co-ops across Western Canada.

“At Co-op, we are committed to ensuring the sustainability of our communities for generations to come. Signing this Pact signals our commitment to reducing our use of plastic packaging materials and doing our part to protect the environment,” explained Geoff Anderson, General Manager, Southland Co-op. “At the end of the day, it’s the right thing to do.”

“Successfully tackling plastic pollution isn’t something one individual or organization can do on their own. It will take collaboration. Together with FCL, we are excited to work with the Canada Plastics Pact and their members to find environmentally friendly alternatives to the packaging we currently use” shared Geoff Anderson.

While much progress has been made to reduce plastic use at Co-op, more work is needed. Customers can continue to expect changes to instore packaging as we work to address these challenges and build sustainable communities together.

Southland Co-op will cease offering single use check out bags on April 22, 2023 to coincide with Earth Day, or sooner if supplies run out.
