

# Coronach Connection

May is a month to be thankful, we have so many people in our community to celebrate this month.

**Teacher Appreciation Week**- May 8-12 - Teacher Appreciation Week seems to have been started in 2018 as a way to show more appreciation for teachers. It is observed annually on the Tuesday of the first full week in May. According to the Canadian Ministry of Education, in 2020, there were 85,538 elementary teachers and 40,927 secondary teachers.

**International Firefighters Day** - May 4 - It is celebrated on May 4th because that is Saint Florian's day, and Saint Florian, who was said to be one of the first commanding firefighters of an actual Roman battalion and saved many lives, is the patron saint of firefighters.

**Mothers Day** - May 14 - always celebrated on the second Sunday of May in Canada. Mother's Day was founded by Anna Marie Jarvis who wanted to honor her deceased mother. She campaigned for a day where mothers will have a special day of their own – where they would be honored, acknowledged, and appreciated. On the mentioned year, 1908, Anna Jarvis held a memorial for her mother at St Andrew's Methodist Church in Grafton, West Virginia, USA. This event marked the first ever modern celebration of Mother's Day.

**National Nurses Week** - May 8-14 - The National Nursing Week annual celebrations take place from the Monday to the Sunday of the same week as Florence Nightingale's birthday, May 12.

The theme this year is *Our Nurses. Our Future*. This theme showcases the many roles that nurses play in a patient's health-care journey. The pandemic brought to light the courage and commitment that nurses work under every day and showed the important role that nurses play in the community.

**Paramedic Services Week**- May 21 – 27, EMS Week is a perfect time to honor those frontline heroes dedicated to providing emergency medicine that saves so many lives every day. The 2023 EMS Week theme: "Where Emergency Care Begins" This week, please remember to honor your ambulance paramedics, people who are dedicated to serving you in your greatest time of need.

**and because there isn't a day to celebrate RCMP we'll honor them this month as well :)** The Royal Canadian Mounted Police (RCMP) was founded in 1920 by the joining of the Dominion Police (a federal police force in the eastern part of Canada) and the Northwest Mounted Police (established to police the newly acquired Northwest Territories). The distinctive red colored dress uniform of the RCMP, popularly referred to as Red Serge, was adopted from the Northwest Mounted Police and was styled in order to reflect the British character of the police force. The image and name of the RCMP was trademarked in 1995 with the intended purpose of preserving the image and reputation of the force.

All of these groups contribute to our lives in our community, through education, wellness and safety. Small towns face challenges everyday but we are truly lucky to have the resources we have, the skills people possess and the dedication they bestow on their community.

**TO SHERI & STACEY AT BIG MUDDY AUTO FOR THE DONATION OF A BATTERY FOR THE MOWER – WE APPRECIATE YOUR GENEROSITY AND SUPPORT!!**

For all you were to me in life,  
And all the joy you brought,  
Your memory is with me,  
In every single thought.  
The pain I felt at losing you,  
Will never go away.

But knowing that you're in my heart,  
Helps me through each day.  
When you were here I always felt,  
That nothing could go wrong,  
But you're still my inspiration,  
And your memory keeps me strong.  
And though my heart is heavy,  
It's also full of love,  
And that's enough to comfort me,  
While you're in heaven above

Star Wars Day is an informal commemorative day observed annually on May 4 to celebrate the Star Wars media franchise created by founder and former chairman and CEO of Lucasfilm, George Lucas. The date originated from the pun "May the Fourth be with you", a variant of the popular Star Wars catchphrase "May the Force be with you". Even though the holiday was not created or declared by Lucasfilm, many Star Wars fans around the world have chosen to celebrate the holiday

We have the best, most compassionate paramedic staff, a hard working fire fighting crew and RCMP that protect us and teach our children daily. Of course, we never want their services to be put to use but knowing we have these great people there for us if needed is reassuring.

**Emergency Preparedness Week is May 7-13 so that week (or anytime really!) please thank these people for helping us through difficult times, facing crisis head on and saving lives.**

## LOOKING FOR VOLUNTEERS ... PLEASE!

Coronach Minor Ball will be hosting Wood River Minor Baseball and Rally Cap Playoffs from June 16-18. We are looking for community support to help make this weekend a success - watch for June issue to see where you can help volunteer!

*Volunteering is at the very core of being a human. No one has made it through life without someone else's help*

The community hall is getting close to done. Just waiting on the sinks to be installed. (3 compartment sink is in transit). We were hoping to do a huge hall cleanup on the May 6 weekend starting at 9:00 am. Mainly cleaning the new floor, under the stage, basement floor and walls, the chairs and tables that we were able to salvage. If the plumbing is done, then we have all the dishes to wash. Hoping to get it done in one day. The hall will buy lunch on that day. Please let me know if you are able to help so we know how much lunch to order. Contact Ron @ 267-7648

Our collection includes a wide variety of items, from vintage photographs and documents to antique farm equipment and mining tools.

## CORONACH NEW HORIZONS

Well we have had spring, winter. spring again and who knows, maybe some more winter. But the moisture is lovely!!

The Drop In is getting a little busier. Welcome home to the Snowbirds! We missed you.

On April 18, 2023 we had Constable Paul Loder come to speak to us on Scams and Fraud.

Constable Loder gave the 12 people in attendance some food for thought. Not only did I learn some things on Scams and Fraud, I also learned the good work our local RCMP are doing behind the scenes. Good work Constable Loder and the Coronach RCMP.

By the time you read this we will have had our Soup and Sandwich fund raiser on April 26. 15 of our members attended the Dinner Theatre and Play as a group. Dinner was great and the Play was really good. Our hats off to all the actors and also the people behind the scenes.

We know you couldn't do the job without the stage hands etc. Those of us who attended the very first play enjoyed it all over again.

The New Horizons will be working at the What Not Shop for the month of May.
