

Coronach Connection

November 2023

World War I ended on the 11th month on the 11th day on the 11th hour in 1918 - 105 years ago this year.

Almost 200,000 Canadians were killed or wounded in the First World War. Another 68,000 were killed or wounded in the Second World War. More than 150 Canadians were killed in Afghanistan and at least 130 Canadian soldiers have died in peacekeeping missions.

Remembrance Day commemorates the moment armies stopped fighting and officially ended the First World War. More than this, it is an occasion to honour the sacrifices of those who have served and continue to serve the country during times of war, military conflict and in international peacekeeping activities.

A poppy should be worn on their right side, the red represents the blood of all those who gave their lives, the black represents the mourning of those who didn't have their loved ones return home and green leaf represents the grass and crops growing and future prosperity after the war destroyed so much. The leaf should be positioned at 11 o'clock to represent the eleventh hour of the eleventh day of the eleventh month, when the war officially ended. The money raised by legions asking for donations for poppies around the world is used for helping injured and retired soldiers. It should be worn from the last day of October until November 11th, at 11:00am. The Legion suggests it should then be placed at a cenotaph as opposed to being thrown away.

Remembrance Day (before then called Armistice Day) didn't become an official holiday until ten years later

The bugle is often played at military funerals and on Remembrance Day, to symbolize that soldiers can rest in peace. In war the bugle was used to tell soldiers it was time to return to their barracks and sleep.

May they all Rest in Peace

In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

- Lieutenant Colonel John McCrae

December 4)

Poppy Facts

- Canada adopted the poppy as the symbol for Remembrance Day in 1921.
- Poppies were the first flowers to bloom on the battlefields in Belgium and France during the First World War.
- Poppies flourish near battlefields because the lime from rubble and debris makes for fertile soil.
- Approximately 21 million poppies are distributed across Canada every year.
- Replica poppies are sold by the Royal Canadian Legion to provide assistance to veterans.
- The Royal Canadian Legion suggests that the poppy be worn on the left lapel of a garment and as close to the heart as possible.
- Poppy seeds can remain active in the soil for 8 years.
- Poppies are featured on the back of Canadian \$20 bills
- Poppy seeds do contain opium alkaloids, meaning that if poppy seeds are ingested, in the most innocent of ways, it can give false readings during a drugs test. As a result, people travelling on planes between countries are advised not to carry poppy seeds, and in Singapore they are classified as 'prohibited goods'.
- Average seed numbers per plant can range from 10,000 to 60,000.

Dear Veterans,

*Those of us who have not served
will never fully understand
the sacrifice's you've made
both in times of peace and of war.*

*We will never fully understand
what you were required to do
or how you were able to do it.*

*We will never fully understand
the depth of your scars.*

But what we can offer you is this:

We see you.

We recognize your humanity.

*And we send you love
that is gentle, patient and healing.*

*With Blessings and Gratitude,
we ask that you remember that you are loved.*

Thank You

Dianna Kupper and Jill Foley

Coach for the season is Janelle Martin and helping out is Michelle Hassey

Volunteers

*They don't necessarily have the time;
they just have the heart.
Thank You!*

*Thank you to everyone that sits on
boards and coaches for these
organizations (and all others in town as
well!) Your commitment keeps these
activities up and running year after year
for our community. You are making a
difference: in childrens' lives, in the
health and wellness of our community
and sustaining activities for the future.*

Please follow Coronach Sportsplex & Recreation on Facebook for all updates. All bookings for the rink and ice rentals must be booked through Larissa Gedak at 267-7030

Thank you to Hart Butte Community Farm for paying for public skating for the season!

PUBLIC SKATING

* the Coronach Rec Board is allowing volunteers to supervise public skating this season
* if you would like to supervise please text people below for the code to the key box, and then post on Facebook the time that you will be supervising.

Larissa - 267-7030

Bryce - 267-7013

Rodney - 640-7301

* when your time is up you'll make sure everyone has left the building, turn off lights and put key back into the key box

* It is your responsibility to pick up all garbage and recycling and put in proper bins.

* 1/2 the ice is for skaters and 1/2 is for shinny. If there is no skaters there you can have full ice (and vice versa) BUT if skaters show up you must give them 1/2 the ice

* if you go out with a stick in your hand you must have a helmet on your head

* please when its done, make sure pucks/chairs/etc are picked up from ice surface, then when next flood is put on someone doesn't have to spend time cleaning up first.

THANK YOU TO EVERYONE THAT TOOK THE TIME TO PUT IN THE ICE THIS SEASON - IT LOOKS FANTASTIC!

Thank You

Thank you Southand Coop for the donation of propane for the zamboni for the 2023-24 season. We appreciate your continued support.

Coronach Tumbeweeds Club is looking for board members and a coach in order for tumbling to move forward. Please email coronachtumbleweeds@gmail.com if you are interested or have any questions!

Coronach Connection

6 years of connecting the community!

A little about our little newsletter: this is 100% volunteer and advertising is kept at low prices to encourage everyone to share events/birthdays/announcements/sales. This is in hopes that we can truly stay connected to what is happening in our area. The money from ads keeps our newsletter going from month to month - your support is needed to sustain this newsletter!

However with some feedback I've decided to make some changes. Starting January 1, 2024 Coronach residents will no longer have the newsletter delivered to your post office box. I will be creating an email list and you can choose to have your copy emailed to you. Or you can go to a pick up location in town to pick up a paper copy. Thank you to Mini Mart, RM of Hart Butte and Debs Country Kitchen for being a monthly pick up location. Fife Lake and Big Beaver locations will continue to receive them in post office boxes unless you tell the clerk you don't want it.

Thank you to everyone that has supported the Connection to date and I hope we can continue to all stay connected this way!

CONTACT ARNOLD MANSKE AT 267-7848

ASK the Council's

Is there something you are curious about regarding the town or RM of Hart Butte? Send your questions to coronachconnection@sasktel.net or a text message to 267-7247 and I'll get the councils answer for you!

Question :I would like to ask the Town Council to establish a small volunteer run shelter for the many homeless cats I have seen around town or been told about.

In addition, a formal spay and release (or adopt) program should be implemented to reduce the continuing propagation.

I have lived in several small communities over the years and they have all had some sort of shelter facility in town. Why not Coronach?

Answer :Last year, SOS Animal Rescue came to Coronach to help catch, spay/neuter and release cats back into the community. The Town has been contacted by an individual who stated they reached out to SOS Animal Rescue to come back to the area. Any individual can reach out to SOS Animal Rescue when they see a need. We welcome as many people as possible to reach out, as there is more strength in numbers. If there is someone in the community willing to take this project on, please let us know and we would be happy to revisit it at a future council meeting.

Home Based Business Expo

- 1 Ticket issued for speeding more than 50 km/h over the speed limit
- 1 Ticket issued for inadequate mirrors
- 1 Ticket issued for failing to produce vehicle registration upon request from police

The Old Coronach Street Festival wins two Communities in Blooms awards

The town of Coronach is pleased to announce that the Old Coronach Street Festival is the recipient of two Communities in Bloom Awards for Community and Volunteer Recognition.

The Community Appearance Award recognizes the 4 murals completed by the festival throughout the community by the Old Coronach Street Festival Committee. Two murals were completed in the downtown area within the last 3 years and accompany pocket parks that were completed following the demolition of vacant buildings.

In 2023, two more murals were completed at the Coronach District Museum. The 2 murals on the museum were significant to the community as the aging exterior needed a refresh. The murals were placed on 2 different sides of the building, significantly impacting the exterior appearance.

The Old Coronach Street Festival committee was awarded the Volunteer Recognition Award to recognize the individuals who organize the annual event filled with family fun, entertainment, a car show, a vendor market and more. The committee's goal is to raise enough sponsorship to cover the events expenses so any proceeds directly from the event can go into beautification projects in the community.

The committee has completed four large murals in the past 4 years, purchased 6 large self-watering pots and flowers. The community is lucky to have a group going above and beyond to help the community looks great!

" We are proud of these awards and the improvements we have made to the community. We look forward to planning the next festival and working on more beautification projects," comments Courtney Setrum, Old Coronach Street Festival Committee member.

Communities in Bloom is a volunteer and partnership-driven organization that uses a multi-tiered competitive evaluation process to foster community strength, involvement and continuous improvement. This is accomplished by nurturing environmental sustainability, enhancements of green spaces, and heritage conservation., in cultural and natural environments encompassing municipal, residential, commercial and institutional spaces.

In loving memory
Gerry Paradis
 1940-2023

Gerry Paradis, age 83, of Coronach, SK, passed away on Monday, October 16, 2023. Gerry was born September 25, 1940 to Louis and Marie (Lepaire) Paradis. He grew up on a farm near Willow Bunch, along with three siblings. When he was 15, they then moved to the family ranch in the Big Muddy Valley. He took over the ranch after his dad passed in 1961. He married Eileen Therens on April 24, 1965. Together they built a legacy working day in and day out raising cattle and four beautiful children. Gerry was well known for his hard work ethic, being hard on his body and equipment, his speed whether it be driving or cleaning corrals, being late for everything, his humour and his love for his family.

He is survived by his loving wife Eileen of 58 years, two sisters Marie Arsenault, Jeanette Baron and one brother Roger Paradis; four children: Michelle (Brent) Noll, Anna Marie Paradis, Susan (Daryl) Pickering and Louis (Janice) Paradis; 11 grandchildren Justin (Jade) Noll, Alisa Wilford, Genelle (Chris) Bartlett, Shania (Kyle) Bouvier; Lindsey Anderson, Jaimie Paradis; Anthony Pickering, Ashley (Brandon) Bodemer, Madison Millar, Aaron (Hailey) Pickering; Levi (Beatrice) Paradis, Garrett (Shayla) Paradis, Austin (Amy) Paradis and 17 great grandchildren. He was predeceased by his parents, a brother Morris Paradis and two grandchildren Erica Noll and Cody Paradis.

Prayer vigil mass was celebrated Thursday, October 19, 2023 at 8:00 pm. Funeral service was held Friday, October 20, 2023 at 2:00 pm, both services held at St Michael's Roman Catholic Church, Bengough, SK. Celebrant was Father Hyacinth Okafor, readers were grandchildren, daughter Susan lit the Pascal Candle, and urn bearers were grandchildren, Jaimie Paradis and Lindsey Anderson. Music ministry was led by Donna Morris and the Bengough Community Choir. After the service family and friends gathered for lunch and fellowship at the Bengough Community Hall. Donations in memory of Gerry may be made to STARS Ambulance. Fond memories and expressions of sympathy for the Paradis family may be shared at www.rossfuneralservice.com. Arrangements entrusted to Ross Funeral Service, Assiniboia, SK

MEET THE CANDIDATES

Here is some mini interviews with the 4 candidates running for town council on November 8, 2023. This is to help everyone make an informed decision on which 2 people will sit on council and represent the needs of our town! Good luck to all candidates!

Listed in alphabetical order

★ Corbin Greenwood

Tell us about yourself: I have been a Coronach resident for a short 4 years. I'm a dad to a beautiful little girl and also a husband. I have been employed by Westmoreland Coal Company for nearly 3 years.

Why is it important for you to be on town council? It is important to me to be on town council as I am the 5th generation to reside in this area. Keeping traditional values in our town is important, however bringing new ideas to the table is a key to growth.

What do you want to see for the future of Coronach? I would like to see Coronach continue to thrive. I want the people of this town to be able to raise a family and have a career that can keep the bills paid. I would also like to see Coronach maintain the ability to be an economic place to live.

★ Claire Manske

Tell us about yourself: I grew up in the Coronach area. I have lived here my whole life. My wife, Marlene and I raised our 4 children on our family farm. We have lived in the town of Coronach for the past 6 years.

Why is it important for you to be on town council? I would like to represent the people of Coronach on Town Council. I'm open to new ways of doing things and enjoy working with others.

What do you want to see for the future of Coronach? My vision is to help our community flourish with combined ideas and see new businesses arrive and thrive. I feel communication is very important in going forward. We live in a great community, let's make it even better!

★ Ken Martin

Tell us about yourself: We moved to Coronach about 12 years ago. I am a retired carpenter, and also a farrier. Now I mostly work in my shop and make toys for Telemiracle and other fundraisers.

Why is it important for you to be on town council? We plan on living here for long term, so I would like to see Coronach cleaned up and looking nice again. Weeds gone and street signs you can read, clean yards, etc.

What do you want to see for the future of Coronach? I would like Coronach listed as the place to retire, buy a house, raise kids, or just retire here, weather is nice, air clean, houses are inexpensive.

★ Mike Martin

Airstrip Land Lease Tender

Sealed tenders will be received until noon on November 15th, 2023 for a 5-year lease on the following lands

LSD=s 8, 9, 10 & 15 of Sec. 6-2-27-W2 and LSD=s 2 & 7 of Sec. 7-2-27-2

The lease does not include the airstrip, taxi way, and the area immediately around the buildings situated on LSD 8 of Sec. 6-2-27-2.

The leased area will be approximately 200 acres and is offered for a 5 year term.

Successful bidder will be allowed to utilize the property for cultivation, pasture and/or hay lands

Successful bidder is responsible for any improvement required on the property (breaking, fencing, water source, etc.).

Special Note: The area of the airstrip, taxiway, and parking area around in LSD 8 of Sec 6 will have to be fenced out, at the successful bidders expense) if the successful bidder intends to pasture the leased area.

Minimum standard of 3 strand barbed wire with post no greater than 1 rod apart.

No obstructions (buildings, etc) will be allowed on or near either end of the airstrip.

Bids are to be provided on a Total Annual Amount basis for the entire parcel and delivered, emailed or mailed to:

Highest or Any Tender not necessarily accepted.

CORONACH TOURISM

The 2023 tourism season is officially over and was once again, very successful! We were able to bring 707 more people into the community to enjoy what we have to offer. We couldn't have done it without our employees, tour guides and landowners. Jennifer Sweetnam, returning after last year and new employees, Brayden Therens, Brayden Lalaonde, and Danesha Wrolson! They were all kept on their toes for the summer planning tours and providing information to anyone who asked. They also did a lot of work at the museum helping to keep it running smoothly over the summer!

This year Leanne Kuski and Elaine Hicks were our guides, taking out a total of 105 tours!

Some of this years reviews

-Leanne is wonderful. All the people I've toured with thought so. My one friend yesterday forgot to tip and felt so bad. Leanne is very knowledgeable, interesting, clear spoken and personable.

Extremely knowledgeable, about the history of the Outlaws, Natives and the history of the local community. Probably, the best guide i ever had. Ask for Leanne

-Elaine was fantastic. It was evident that she enjoyed her "job", and added a lot of extra knowledge and insight into the stories from that era in saskatchewan history. Her demeanour with all people on the tour made it that much easier to enjoy, as well as stay focused on what was being explained to all of us. Thanks again Elaine, your jovial and kind nature made it very easy for my family to spend the whole day taking in the sights in the Coronach area.

Aside from our staff, the season would not have been possible without the support and permissions of the landowners whose property we go on. We're so appreciative of their willingness to support tourism and allowing us to bring vehicles out daily to tour! Thank You to: Stacey & Sheri Anderson, Roland Klesse and Joey & Charla Holbrook. As well as the community of Big Beaver for letting us make them part of our tours including Paisley Brook School, Big Muddy Nature Centre and Aust's General Store.

Special thank you to Aust's You for being part of our tours all these years!

BE A TOURIST IN YOUR OWN TOWN!!!

Next year we would LOVE to see more locals go on our tour, we can GUARANTEE that you will LOVE every story. Wishing everyone a great fall & winter and we can't wait to be back at it next year!

CORONACH NEW HORIZONS

Well Happy Halloween 2023!! By the looks of the weather today as I sit at my computer the Trick or Treaters may have a cool or even cold trip around town collecting treats. But if I remember right the little ones are too excited to get very cold. So have fun kids!

We had a Potluck Supper at the Drop In on Sunday October 22. Once again a delicious supper was served and we had a good turn out. Thank you everybody for coming.

We are having another Pot Luck Supper on Sunday November 12, 2023 at 5 PM. \$5 PLUS a food item or \$15. Everyone Welcome.

AS I have reported before the Drop In is open every Monday, Wednesday and Friday at 3 PM for coffee and cards.

Thursdays is the Smear Tournament at 1:30 PM. Everyone Welcome.

If anyone is interested in playing a game of Floor Shuffleboard, Table Shuffleboard or Pool it can be arranged. If enough people are interested I'm sure a day of one of these games can be arranged.

If interested give me a call, Lyla @ 267-2237. The Quilting Ladies try to quilt every Tuesday afternoon. If interested call Mable @ 267-2259.

Stay warm everybody and most of all Stay Safe!!

THANK YOU

The Ladies Hospital Auxiliary would like to thank the Rolke family for their generous donation in memory of Albert. We appreciate you choosing us to receive this donation.

Notice of Poll for 2023 By-Election There are four candidates running in the 2023 By-election, they are as follows: Corbin Greenwood, Claire Manske, Ken Martin, and Mike Martin. The main by-election polling will take place on November 8, 2023 from 9:00a.m. to 8:00p.m. at the Town Office. Please bring photo ID to vote. We wish all candidate's the best of luck!

Looking for volunteers! **Town Council created a 100th Anniversary Homecoming Committee for Town of Coronach's 100th Anniversary in 2026.** Meetings would occur as needed—with some once every three months to once a month getting closer to the anniversary. The Committee will be tasked with developing and preparing a comprehensive plan and budget for the Town's 100th Anniversary Celebration. If you are interested in helping with planning for the anniversary, please reach out to Kelsey Manske at (306) 291-7086.

Calling all local businesses! Coronach is still on the hunt for a couple signs in the sign corridor. All sizes must be 4'x8'. Sign installation is \$150/sign and would be installed May-October, weather permitting. Businesses without a commercial property assessment would be charged an annual maintenance fee of \$100/sign. For more information please see the "Highway Sign Corridor Policy" on the Town website, <https://townofcoronach.ca/wp-content/uploads/2021/07/Town-of-Coronach-Highway-Sign-Corridor-Policy-June-2021.pdf> or stop by the Town Office.

Just a reminder to place kitchen grease into a pail or container and place it in your garbage bin. Please do not place grease down your drain as it can clog Town sewer lines. We thank you for your cooperation.

Please note on July 1, 2022 all buildings in Saskatchewan with sleeping rooms are required to provide early warning protection against the effects of carbon monoxide (CO) poisoning, smoke and fire. The installation of CO and smoke alarms is the most effective way of accomplishing this requirement. When a building with sleeping rooms contains a fuel-burning appliance, or an attached vehicle parking garage, a CO alarms must be installed: a) inside each sleeping room; OR, b) outside each sleeping room within 5 meters (16 feet) of each sleeping room door. (*fuel-burning appliance means boilers, furnaces, fireplaces, water heaters, stoves and other such appliances that burn hearing oil, pellets, wood, propane, natural gas, and other such fuels.) When a building contains sleeping rooms, smoke alarms must be installed: a) on each level of a building, including the level with sleeping rooms, with the smoke alarm located between the sleeping rooms and the remainder of the floor; AND, b) inside each sleeping room.

Please note meter reads from the September 30, 2023 utility billing have been delayed. Utility Bills will be processed shortly. Because of the delay, Town Council decided at their October 17, 2023 Council Meeting, to waive monthly interest for the end of October 2023 period. All residents will only be charged interest effective December 1, 2023 (if your bill is unpaid as of November 30, 2023).

Some new features! Town Admin have created water meter reading cards. If Public Works Staff are unable to read your water meter, a card will be left at your residence. Please fill out the card and return it to the Town Office or by using any other method listed on the card. This ensures actual readings are completed for your residence, which, in turn, keeps your utility bills consistent. We thank you for your cooperation in advance. Town Admin have also created Transfer Site Magnets. Magnets will be provided to all residents for easy reference of transfer site hours. These will be distributed shortly.

We would like to congratulate CAO Renea Paridaen and Utility Worker Daniel Sheppard on becoming full-time permanent employees with the Town of Coronach! We wish them all the success in their positions!

CONGRATULATIONS!
