JOIN THE EMAIL LIST

This December issue is the last issue that will be put in mailboxes, in January if you would like a paper copy you will need to pick up from Mini Mart, RM of Hart Butte or Deb's Country Kitchen. Thank you to these businesses for being a pick up spot. * Big Beaver and Fife Lake will still get issues in their mailboxes*

If you would prefer to be on an email list please email me at coronachconnection@sasktel.net and let me know. Please also be patient in first few months as we tackle this new endeavor. If we run out of paper copies at a pick up spot we'll refill as soon as we can (as we have no idea how many we'll need). And if I miss emailing you, just send me a quick text (267-7247) or email and I'll double check things. Again, thank you to everyone for their support!

Christmas Memories of an Angel in Heaven

There's a special place
Beyond the skies above
Somewhere very peaceful
That is full of light and love

That special place is Heaven
Where you're free to laugh and roam
It was your time to go there
So the angels took you home

And though you're in our thoughts
Each single day throughout the year
At special times like Christmas
We all wish you could be here

Now you're in a better place
Your soul is laid to rest
Safe with all the angels
For they only take the best

People we've known and lost in 2023. Love and hugs to families and friends missing a loved one this season.

Year-Round Joy

Christmas is full of shiny things
That sparkle, gleam and glow;
These holiday pleasures dazzle us,
And yet, deep down, we know...

That Christmas has its special gifts,
But our year-round joy depends
On the cherished people in our lives,
Our family and our friends.

DECEMBER 7TH, 3:00-5:00

in loving memory
PAUL WARKEN
1942-2023

It is with great sadness that we announce the passing of Paul William Warken on October 22, 2023 at 80 years of age. As per his final wishes, Paul passed away peacefully at home in Coronach, SK while surrounded by his closest family members holding his hands and listening to Willie's Roadhouse. He went after the Blue Jays finished their 2023 season and before the temperatures and snow fell. He'd be cussing a few of his favourites words at these cold temperatures.

Paul was predeceased by his parents, Felix and Mabel (nee Spooner) Warken, and his sister, Marilyn Setrum. Paul will be missed by his loving wife of 50 years, May (nee Andersen) Warken, his two kids, Vaughn (Dallas) and Melanie (Wayne), and his three grandkids, Macie-Rae, Rowan and Ryker. Also grieving are his siblings, Carol, Larry and Neil (Debbie), his in-laws Arlo, Louise, Shirley and Ernest (Sharon), many nieces and nephews, and many friends that he loved dearly.

Paul was born on December 28, 1942 at Mrs. Day's house in Coronach, SK. During his youth, he went to Eddyside, Buffalo Gap and Big Beaver Schools. Paul was worried he would have to marry the teacher before he would be done school so after being promoted into grade 10, he left school to work. Paul's strong "Warken" work ethic led him to buy his first half section of land near the Warken homestead, between Big Beaver and Coronach, for \$4750 at 15 years of age. Paul spoke about his first jobs packing dry goods, working seismograph in the far north with Carl Foley and Jerome Vancuren, and changing tires. He remembered clearing \$69 every two weeks.

Those who knew Paul, knew how much he loved driving. In his younger years, it was anything fast. One truck he loved was his black '67 Ford. He loved to talk about the one Friday night he, Dwayne Wilford and Harvey Purdy, raced up 11th Avenue in Regina. Paul was a little upset because Harvey passed him in his '53 Chev. A few hours after that race in Regina, Paul drove back to the homestead near Big Beaver. When he returned back to their apartment in Regina a few days later, Harvey said to him "You must have been a bad boy ... you are supposed to go to the police station". So off Paul went with his head down. When he got there, the police officer said "Do you own a black '67 Ford?" Paul confessed and the officer was kind enough to let him off with a verbal warning to be good and to stop spinning his tires.

One car that Paul loved was his brand-new blue '68 GTO that he bought from Fritz Franks in Ogema. At a dance in Big Beaver one night, May's brother, Ernest, told May she better go dance with Paul because he must have lots of money with such a nice car. Paul would comment "little did he know". On Paul's first date with May, he took her for a ride in the GTO. He loved sharing the story of when his hand "accidentally" slipped from the stick shift and landed somewhere unexpected for May! I guess it was a good slip because she continued to date Paul.

Those who knew Paul, also knew how much he loved baseball. It was evident in the 5-6 catcher mitts he wore out. Even though he was an excellent back catcher, he was not-so-excellent at catching the clues from May that she was ready for a marriage proposal. Just when May thought she was getting a ring, she got a large hair dryer that she could sit under. He eventually caught on to the clues and proposed. On February 10th, 1973, Paul and May held a reception for about 30 guests at Allan and Shirley's rumpus room in Regina. They bought Chinese food for their guests for about \$50. Paul and May celebrated their 50th wedding anniversary in 2023.

Paul eventually went from driving fast trucks and cars to driving a milk delivery truck and his Mac tandem trailer. Paul and May liked things in twos. After two years of marriage, came their two kids, Vaughn and Melanie, born two years apart. Paul never entered the labour rooms because he stated "I've seen lots of calves being born". Even at a young age, Vaughn kept Paul on his toes. After long days of driving, Paul would come home to nap on the couch only to have Vaughn come along and grasp a few of his hairs to pull. Paul was blessed with good genetics as he still managed to keep a full head of hair through life. Even at 80 years of age, he asked Melanie to buzz it short with the razor.

After living in Regina for about a decade, Paul had enough of the city. Paul and May bought an acreage east of White City where Vaughn and Melanie remember planting, hoeing and watering over 1000 trees. Three years later, after the passing of Paul's father, Felix, they moved to the Warken homestead to farm and raise cattle. During an auction in Weyburn, Vaughn tapped his dad on the back of the head accidentally buying him more cattle. On the farm, Vaughn and Melanie remember planting, hoeing and watering even more trees! As much as they grumbled at the time, they are thankful that it taught them the "Warken" work ethic. Once in the country, the speed of Paul's driving began to slow down in order to check crops and cattle as he made several mail and grocery runs to Aust's Store in Big Beaver.

Paul worked hard and played hard. Besides baseball, Paul enjoyed hunting, fishing, horseback riding, skiing and playing cards. When playing cards with kids, Paul would often slip them the cards they needed so they would win. Paul and May also enjoyed many trips, hot and cold, over the years with family and friends. As Neil's son, Cole, grew in his own baseball journey, Paul began to follow along traveling to watch Cole play from local games in Moose Jaw and Regina to far away games in Kamloops, Toronto, Vaughan, Denver, Orlando and Phoenix.

In 2008, Paul and May moved into Coronach so Vaughn and Dallas could take over the Warken homestead. Most people would retire but not Paul. He wanted to work. Paul would often return to the Warken homestead to help Vaughn and Dallas with yard work, fencing and chores. He also started taking care of several lawns and yards for Coronach Housing, Heritage Square and SaskPower as well as driving the school bus for Prairie South School Division (PSSD).

Just like his mother, Mabel, when Paul had his mind set on something, he did it. His family was reminded of this when he renewed his school bus endorsement at 79 years of age. He was so determined to stop driving bus on his own terms. It took him four times to pass the written test and three times to pass the driving test. In reality, he did it for the love of kids especially while Macie-Rae and Rhody rode his bus. We since phoned PSSD to see if he was the oldest bus driver for PSSD but apparently there was someone four and a half months older than him! It was a sad day for Paul when he decided to stop driving bus.

During Paul's last months, Melanie asked what advice he had for his kids and grandkids. True to his nature, he replied "keep working". We were blessed to be able to reflect on these memories with Paul. It brought him a sense of peace and it provided us an opportunity to honour his life with him. He touched the lives of many people and he will be missed dearly.

A Private Celebration of Life will be held for family. As an expression of sympathy, we welcome donations to the Cancer Foundation of Saskatchewan in lieu of cards, flowers, food or other gifts. For more information, visit <https://www.cancerfoundationsask.ca/> or call 1-844-735-5590. Arrangements in care of Almassey Metz Funeral and Cremation Services, Regina, SK (306-545-4455).

WINTER SOLSTICE

The first day of winter in the Northern Hemisphere is marked by the winter solstice, which occurs on Thursday, December 21, 2023, 10:27 p.m EST.

For the northern half of Earth (the Northern Hemisphere), the winter solstice occurs annually on December 21 or 22. (For the Southern Hemisphere, the winter solstice occurs on June 20 or 21.) The winter solstice is the day with the fewest hours of sunlight in the whole year, making it the "shortest day" of the year. Thankfully, after we reach the winter solstice, the days begin to once again grow longer and longer until we reach the summer solstice—the first day of summer and the longest day of the year.

Think of it this way: Although the winter solstice means the start of winter, it also means the return of more sunlight. It only gets brighter from here!

Hey everyone! As we approach the holiday season, I wanted to take a moment to express my deepest gratitude to all of you who have supported my photography business over the years. Your unwavering support and trust in my work have meant the world to me. I am truly blessed to have such amazing clients and friends like you.

And since it's the most wonderful time of the year, I also want to wish each and every one of you a very merry Christmas! May your holiday season be filled with love, joy, and beautiful moments captured forever. Thank you for being a part of my journey, and I can't wait to create more memories together in the coming year. Sending you warm wishes and heartfelt thanks

In Loving Memory
Arthur Gerald Setrum
 1927 - 2023

Dad passed away peacefully on, Tuesday, November 7th, 2023 at the age of 96. He was predeceased by his parents, Henry and Amanda; brother, Marlo; sisters, Ethel and Iola, and his granddaughter, Chrystal. He is survived and lovingly remembered by his wife, Verna on the verge of their 72nd wedding anniversary coming up on Dec 3rd; by sons, Garry (Myrna), Lavern (Carol), daughters, Wendy (Sid), Donna (Kevin); daughter-in-law, Lynne; ten grandchildren, Leona, Carmel (Clint), Vanessa (Dan), Britany (Jeff); Jason, Duane (Courtney), Rodney (Amanda); Michelle (Devin); Brandie (Matt); Shawn (Abbey); nineteen great grandchildren, Gavin, Mason; Raven, Alexis, Abby, Nathan; David; Blake, Jake; Jaylyn, Johnathan, Samantha, Kaylee; Doc, Nixon; Gaia, Terra; Adelyn and Brady.

Dad was tasked at a young age to carry on the responsibilities of the family farm upon his fathers early death. One story of when he was picking rock with a team of mules. He was out picking rock all day and a snake spooked the mules and he fell off the stone boat. When he finally caught up with the team, all his long day of picking rocks had all fallen out of the stone boat. In his lifetime he saw a lot of changes on the farm, from farming with mules to the huge tractors of today. He built many homes and open up the drive-in restaurant in Coronach, which is still in operation today.

He was a strong, humble Christian man and we are so very grateful to him for taking us to church and instilling faith into us kids.

He had a great sense of humour and really enjoyed the company of others, always had a story ready and loved sharing a good laugh. He cared about people and his family, never hesitating to offer a helping hand at a moments notice. He was very involved in the community, spending 10 years on the RM Council.

Mom and dad loved to travel and spent many years in Arizona. In the early years in AZ they enjoyed hiking, square dancing, golfing and getting together with friends for a good games of cards, always ready with the crib board or challenging many to a game of smear.

We would like to thank all the staff for their loving care at the Coronach Health Centre. A Celebration of dads life was held on Monday, November 13th at 1:30 pm at the Coronach Alliance Church 211 1st Ave. A private family interment followed at the Berg Cemetery. In lieu of flowers, donations may be made to the Coronach Health Centre Box 540 Coronach, SK S0H 0Z0. Arrangements in care of Piche-Hawkins-Grondin Funeral Home Assiniboia.

Is there something you are curious about regarding the town or RM of Hart Butte? Send your questions to coronachconnection@sasktel.net or a text message to 267-7247 and I'll get the councils answer for you!

Question: What needs to be done to potentially get a dog park in town? There has been a lot of interest but would like to know what steps need to be taken?

Answer: Town Council would designate lands such as urban reserve for a dog park. Some considerations include location, fencing/entrance planning, gate placement, dog park surface, signage, water supply, park seating and maintenance. Lots of communities have a group or committee that spearheads the project. Many groups also campaign for donations and/or sponsors. Once a committee is formed and an official proposal is submitted to Council outlining these items, Council would be willing to work with this committee for the betterment of the community.

CORONACH NEW HORIZONS

Well, it's beginning to look a lot like Christmas!! Christmas lights are going up around town and beginning to look quite festive. Our Drop In has been decorated for the holidays. Thank you to the members who took the time to do this. We held a Pot Luck supper on November 12. Good food!

Good friends! Thank you to everyone who takes part in these fundraisers.

We held our regular Drop In Board meeting on November 17, 2023. It was decided to purchase two new high rise toilets for the upstairs bath rooms. We have been having problems for a while with the old ones. Fixing them just wasn't doing the job anymore so we had to bite the bullet so to speak. We won't be having a fundraiser until January now.

May all the joys of Christmas be with you each day of this holiday season.

Fond Christmas memories from the Residents at Coronach Health Center

Anonymous Age 72:

When we were little, we got to open one present on Christmas Eve. It was always a brand new pair of pajamas. It was how we got our Christmas started. On Christmas Day if the roads were good, we would load up and go to Uncles place on the farm and have a great big Christmas there with Cousins.

Bill McPeek Age 88:

I used to sing in the Christmas choir for many years, we would practice for a couple months to prepare. One year Father Andre was out conductor, he was from Poland and was up to the task. They are trying to get me to sing in the choir this year, but I am not so sure about that!

Lome Elder Age 92:

I always enjoy Christmas with family. I remember getting my first pair of skates in the 1940's.....I think. We would play hockey down at the crick or at the skating rink in town.

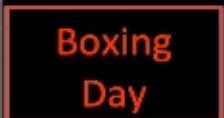

Christine Merrien Age 90:

Christmas Eve we had a big supper, we would stand around the Christmas tree singing different songs. When I was about 10 years old I received a pair of slippers from an Uncle that was leaving the area for work. It was a big deal back then as we didn't get many gifts.

Thank you to Kristen for quizzing the residents
