MARCH 2024

## Our New Pool!

**\*\*Please note that the current shade structure on the grass will remain but is not depicted in picture.\*\***

2024 will be our last season with our original 1981 pool. Once the upcoming pool season comes to a close demo will begin to make way for our fantastic new pool. The new pool features a beach entry where you can walk into the water and it will gradually get deeper. At its deepest it will be 3.7M which is the same as before and will feature both a low and high diving boards. The new pool will come with an entirely new mechanical system; new piping, new pumps, new electrical and a new heater. We are grateful to everyone that has contributed to our efforts in raising money for the pool but are still needing to raise a bit more yet! Watch in the months to come for totals, fund raisers and to learn all about who has donated so far!

# Thank you for helping to build Coronach

Many members of our community have once sat on a board or are currently on a board in town. These positions are essential to the day-to-day operations of Coronach with committee and board members meeting regularly to provide advice, feedback and to help better our town. Thank you to everyone that has ever been on a board, your contribution has made a difference and we appreciate you. Below is a list of some of the boards in town and who sits on them to help make decisions. Thank you to you all. If you see a group that interests you please contact one of the members to see about joining. I've noted groups that are actively looking for members.

**Thank you to our community members!**

In the Spring of 2023 the Coronach Rec Board sent out promissory notes to the 11 community groups that applied to the Saskatchewan Lotteries Grant. The grant period is from April 1, 2023 to March 31, 2024. Just a reminder that all receipts turned in must be dated before March 31, 2024. To receive your allocated money you must turn in a follow up report and your receipts by April 15, 2024. To date, only 6 out of the 11 groups have completed all these steps. There is still time, we're just reminding everyone! In the next few months applications will be available for the 2024/25 season so keep your eyes peeled! If you have questions don't hesitate to contact Heather at 267-7247 or coronachrecboard@sasktel.net.

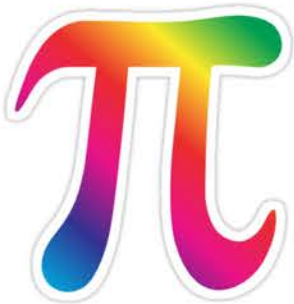

Mobile or shop services for automotive, on highway, ag and off road equipment. Contact Colton to book an appointment!

We also offer vehicle detailing, contact Taylor at 306-476-7454 to book in your vehicle

On behalf of the staff & residents at the Coronach Health Centre, we want to give a BIG thank you to Hart Butte Community Farms & another community group who wishes to be anonymous for helping us fund two ceiling track and lift systems! These are the first two systems we have in resident rooms at CHC. They make such a positive impact for both the resident and staff working with them – we cannot thank you enough!

No, not the Blueberry or Apple type, but Pi, the 16th letter of the Greek Alphabet Day. In mathematics, it serves as the symbol for the ratio of the circumference of a circle to its diameter. Pi is a transcendental number, meaning it will repeat infinitely without ever appearing exactly the same. Pi has been calculated to over 51 billion decimal places with the use of computers. However Pi is usually calculated to 3 digits, 3.14. Therefore, March 14 is Pi day.

*~ heartfelt thanks from the family ~*

The family of the late Arthur Hendricks would like to express their heartfelt gratitude to all who attended the funeral service. For the gifts of food, flowers, cards, monetary donations and donations made to the Coronach Health Center and Cancer Society in dads name, the hugs and talks all meant so much to us at this difficult time.

To Linda Kirby for the wonderful words that touched our hearts.

To Linda Poirier for your beautiful music that gave us peace.

To Deb, Stan, and staff for the delicious lunch at the farm, and after the service, touched our hearts and gave us strength.

To the UCW and Amanda and Angela for serving the lunch and taking care of the clean up. Thank you so very much.

To the Coronach Community Hall Board for the use of the hall, we thank you.

To Tyson and crew, always there when we need them, thank you so much.

To Anette, Gary and staff at Ross Funeral Home, we could not have done this without your help. Thank you for your compassionate care in our families time of loss.

Also we would like to thank Hutch Ambulance and Dr. Carlie and staff at the Assiniboia Hospital for all the wonderful care dad received. Special thank you to dads nurse, Emily & staff for such amazing care while dad was there.

# Helen Kathryn Foley

July 5, 1929 - January 18, 2024

Helen Kathryn Foley of Coronach, SK, passed peacefully surrounded by family, on January 18, 2024, at the age of 94 years. Helen was born in Regina, SK on July 5, 1929, the daughter of Marie Schuff. When Helen was 3 years old, her mother died and she was adopted by her Aunt Barbara and Uncle Jake Noll of Coronach. Her brother John (Jackie) Noll was born in 1936. At age 7, Helen attended Highcrest School. She learned to read and books soon provided her with much enjoyment. Besides helping with the household chores, Helen soon learned to help with many farm chores like feeding the animals, milking the cows, and cleaning the barn and chicken coop. She finished her Grade 12 at Coronach School and then went to teachers' college to become a teacher.

Helen taught school until she married Elmer Foley on November 8, 1951. They started cattle and grain farming, and then six children arrived to complete their family: John in 1953, Kevin in 1955, Jeannie in 1957, Gregory in 1961, Barbara in 1965, and Timothy in 1968. Without modern day conveniences, Helen cooked, baked and cleaned for her large family, and she also helped with outside chores and fieldwork.

In the 1970s, Elmer and Helen imported a Simmental heifer from Switzerland and began to build their own full blood herd. Helen was instrumental in keeping the paperwork done for selling their bulls near and far. All buyers who visited the farm would be treated to Helen's fresh bread, buns and donuts.

In 1980, they built a new home on a farm closer to Coronach. Helen liked all the trees in the yard, especially the trees that lined both sides of the lane from the road to the house.

In 1992, Helen found out that she had a sister, Mary, that was born days before their birth mother passed in 1933. They were both overjoyed to find each other and they enjoyed learning about each other and their families over the years.

Helen was the secretary for the Coronach Agricultural Society for many years and worked hard to keep the annual agricultural fair running. She also was active in the rink world with hockey players and figure skaters. She served on the Coronach Museum board and loved bringing history to life for the young people. She wrote many stories for the Coronach History book. She was active in the church: reading at Mass, lay services, secretary of the parish council, and a CWL member for many years. She felt it was vital to volunteer in your community.

Helen's retirement hobbies were tending to her garden, braiding rugs, bowling, playing Chinese checkers, cribbage and many other card games. She even dabbled with painting pictures again. She also continued making her famous bread and buns and pies, and hosting all our family gatherings every Easter, Thanksgiving and Christmas.

The family would like to thank the Coronach Health Centre Staff. Your compassion and exceptional care during Mom's stay were deeply appreciated. Donations in Mom's memory may be made to the Coronach Ladies Hospital Auxiliary or STARS Air Ambulance.

A Funeral Mass was celebrated on Friday, January 26, 2024, at 2:00 p.m., at Our Lady of Perpetual Help Roman Catholic Church, Coronach, SK, with celebrant Father Clement Amofah. Cross Bearer Kevin Foley. Candle Bearers Greg Foley and Tim Foley. Urn Bearer John Foley. The Paschal Candle was lit by Tim Foley. Readers were Elena Diebel and Jennifer Foley. Offertory gifts were presented by Jeannie Gardiner and Barbara Diebel. Music was played by Linda Poirier. The eulogy was read by Justin Foley. Interment took place at the Coronach Cemetery.

# ASK the Council's

Is there something you are curious about regarding the town or RM of Hart Butte? Send your questions to [coronachconnection@sasktel.net](mailto:coronachconnection@sasktel.net) or a text message to 267-7247 and I'll get the councils answer for you!

**Question:** "What's the regulation on excessive dog barking, what do we do as a local and what's consequences for dog owners?"

**Answer:** "The Town of Coronach has Bylaw 3.2017 A Bylaw to License and Regulate Animals. Within the Bylaw, section 5 outlines barking dogs and/or howling. Section 5 reads as follows:

- 5.1. No person who owns or keeps a dog or allows it to stay in the owner's premises shall allow such dog to bark excessively or howl excessively;
- 5.2. Any person who allows a dog to bark or howl excessively shall be deemed guilty of an infraction of this bylaw;
- 5.3. Any person who hears a dog barking or howling excessively and can positively identify the animal, can file a written complaint at the Town Office. Written complaints must include information as set out in Form 1 attached to this bylaw (Policy OSL.28);
- 5.4. The municipality may issue a written order if there is anything in the physical environment that the dog is being kept in that can be remedied that would prevent said dog from barking or howling;
- 5.5. The municipality may apply to a judge to have a dog that barks or howls excessively, at the owner's expense, muzzled, fitted with a collar or device that deters barking or permanently removed from the municipality; and,
- 5.6. The municipality may issue a written infraction notice, in the appropriate Municipal form, under this or the Municipal Noise Bylaw. Bylaw 3.2017 is available here: <https://townofcoronach.ca/government/policies/> or a copy of the Bylaw can be obtained from the Town Office.

The Town requires a resident to come to the Town Office to formally make a written complaint of the animal. Once a written complaint is received, the CAO sends the owner a formal letter with a copy of the Bylaw attached for their reference. The resident who submitted the formal complaint, is kept confidential. If there are still concerns with barking or howling after 1-2 weeks, after a written complaint is filed, please feel free to reach out to the Town Office again. It can take 1-2 weeks for the letter to be mailed and for the resident to pick up their mail. Recently, the Town Office has had a few complaints of dogs and letters were sent. We have not heard from residents since expressing concern. If there are still issues, please let us know and we will proceed with further action.

## 2nd annual

All funds raised go towards our  
**NEW pool!**

As everyone knows Coronach Pool has been chosen to receive federal funding for a new pool! We're so appreciative of the support that everyone has shown and feel lucky that our community is getting the opportunity to improve.

The funding does not quite cover the whole cost so Coronach Recreation Board has been working on raising the remaining funds. We are planning on having an online auction in May 2024 to help us reach our goal. We are telling you early so you have ample opportunity to think about the amazing item you'll donate!

All donators/companies will be acknowledged alongside their donations in recognition of their generosity. Your support in this auction will have a lasting impact on our community and provide years of recreation for our area.

I will be reaching out in mid April to discuss things further but if you questions beforehand please feel free to contact Heather @ 267-7247

Sitting on the side of the highway waiting to catch speeding drivers, a State Police Officer sees a car pattering along at 22 MPH. He thinks to himself, "This driver is just as dangerous as a speeder!" So he turns on his lights and pulls the driver over. Approaching the car, he notices that there are five old ladies, two in the front seat and three in the back, wide eyed and white as ghosts. The driver, obviously confused, says to him, "Officer, I don't understand, I was doing exactly the speed limit! What seems to be the problem?"

"Ma'am," the officer replies, "You weren't speeding, but you should know that driving slower than the speed limit can also be a danger to other drivers."

"Slower than the speed limit? No sir, I was doing the speed limit exactly twentytwo miles an hour!" the old woman says a bit proudly.

The State Police officer, trying to contain a chuckle explains to her that "22" was the route number, not the speed limit. A bit embarrassed, the woman grinned and thanked the officer for pointing out her error.

"But before I let you go, Ma'am, I have to ask... Is everyone in this car OK? These women seem awfully shaken and they haven't muttered a single peep this whole time," the officer asks.

"Oh, they'll be all right in a minute officer. We just got off Route 142."

Whoa! What an incredible 52 weeks of support from our community. We are so humbled by everyone that continuously bought tickets

In order to make this fundraiser a success we turned to the community for some help:

\* Poplar River Pharmacy, Marv's Tire, Sarcan and Mini Mart for having books of tickets at their business to sell. They took in money, filled out tickets and let Leanne know when they needed more tickets.

\* To Roger Dionne who was our designate thru our lottery licence, he was the man that pulled the tickets & cards. He was a constant, in all 52 weeks he missed 2 weeks. He braved getting in the pool to boost ticket sales and donned a Santa suit to do the same

\* To our back up designate Linda Poirier for signing up to be on call when Roger couldn't be there

\* To everyone that stepped in to film the lives when Heather couldn't be there, Giselle Wilson, Wanda McMillan, Owen Dionne and Callie Kochanowski

\* To Cal Martin and the Coronach RCMP for volunteering to get a pie in the face to boost ticket sales and then to Cal for the laughs when he did get a pie in the face!

\* to Lloyd Elder, our week 49 weekly winner, for donating \$100 of his winnings back!

But most of all, thank you to you, the community for making this fundraiser a success! With your support we have raised \$35,930 to be split between the new pool and the sound system at the Community Hall. We are so very happy that your money and our efforts are going back into the community to make it even better!

## Coronach New Horizons

Well depending whether you believe the Ground Hog or not maybe we will have an early spring. Myself--- I don't put too much in store by the little rodent but guess we will see. My thoughts we have to take what we get. We cancelled our February Regular Drop In Meeting. This was due to not able to have a quorum at the meeting. Very seldom does this happen but all is well and we will carry on as usual. We held our monthly Pot Luck Supper on Sunday, February 18. We had our usual turnout and once again had a very good supper. This tells me we have some great cooks that enjoy getting out and having an evening with old and new friends. Remember if you are unable to bring an item for supper you can just pay \$15 and come and enjoy the supper. Now my friend Teddy and Maggie enjoyed their supper in January and joined us again Sunday. So glad you came and brought your family.

We loved having you.

Also remember anyone who would like to join in playing cards you are so very welcome.

Just a reminder Membership Dues are due in March. Memberships are \$15. Just give me a call anytime, 267-2237.

## World Down Syndrome Day March 21, 2024

What is World Down Syndrome Day?  
World Down Syndrome Day (WDSD), 21 March, is a global awareness day which has been officially observed by the United Nations since 2012. The date for WDSD being the 21st day of the 3rd month, was selected to signify the uniqueness of the triplication (trisomy) of the 21st chromosome which causes Down syndrome.  
#LotsOfSocks has power to change the world!  
The #LotsOfSocks campaign exists to raise awareness about Down syndrome. All you need to do is choose some socks that are going to get noticed - they might be mismatched socks or your craziest and most colourful socks, whatever takes your fancy! If someone asks you about your socks you can tell them, "I'm wearing them to raise awareness of Down syndrome".

For each petal on the shamrock,  
this brings a wish your way.  
Good health, good luck, &  
happiness  
for today and every day.

## Brennon Dulle's Story

[My name is Brennon Dulle, this is my second year doing this. I would like to share my story with you with the hope that you will lend your support.

On October 31, 2015 I suffered a life changing stroke at 33 years old. Halloween was the day of my stroke. A day after the stroke I had a seizure. Due to the seizure my brain needed its 1st Surgery. After my 1st brain surgery, I started seizure pills. In 2017 I was having seizures a week so I my 2nd brain surgery That took out a part of my brain. That stopped my seizures for about a year. Then it became intense I got up to 6 different seizure pills on high doses and many different tries of different pills. Since 2018 I've had hundreds of seizures that will last 5 minutes to an hour and 45 minutes, Stars Air Ambulance has been utilized to save my life. Since then, I Have had 2 brain surgery in Saskatchewan, and 2 more in Calgary, Alberta to alleviate the seizures. Our province did not have the needed equipment or specialized staff to perform my last two surgeries, needing help I had to fight with the government to go to Calgary to get the surgeries I needed. I finally received the approvals my surgeries were done in June and August of 2022.

The neurology department at RUH, while incredibly educated and talented, struggle to meet the demands of Saskatchewan due to outdated equipment and lack of funding available to stay current. The money fundraised by Dulle Neurology Fundraiser, will go directly towards updating equipment and facilities.

On April 6th 2024, I will be hosting a dinner at TCU place. We will be having a supper. The MC We'll be Natalie Tibury A third year medical student interested in neurology. A presentation from Dr. Alexandra Carter. There will be raffle, doors prizes, 50/50 and a Country singer Kieran Gardner Playing a couple of songs. The fundraiser will go from 5:30 PM Until 11 PM.

If you could help us out in any way, that would be Great Your support is key to helping our community and hospital."

Thank you

## Coronach Minor Ball

Minor Ball Players will need to register by March 10 for the 2024 season. Google forms link will be posted on the Minor Ball Facebook page as well as on the Coronach Sportsplex page.

We plan to host another indoor baseball and softball clinic, dates and details to come.

We are still looking for a couple more minor ball parents to round out ball board tis year, particularly someone willing to serve as vice president. Anyone interested can contact Melissa via text or call 903-241-6707 or email [melissahuckabay@yahoo.com](mailto:melissahuckabay@yahoo.com) or get ahold of any other board member.

*"Your Local Independant Insurance Brokers"*

# Do you have the right automobile protection?

Many Saskatchewan motorists only have the basic plate insurance of a \$700 deductible for damage and \$200,000 liability protection

An SGI Auto Pak can give you...

### Lower your deductible:

Make accidents and other minor damage more affordable. Choose deductibles from \$500 to as low as \$50.

### Liability Protection

Choose from \$1 million, \$2 million, \$3 million, \$4 million and \$5 million liability coverages.

### Road Hazard Glass Coverage

With an SGI Auto Pak you can reduce your glass coverage deductible from \$700 to: \$50, \$100 or \$200.

### Don't pay your deductible:

You will not be required to pay a deductible to have your damage repaired should you have a collision with wildlife or have damage due to fire, lightning or theft of the automobile.

### Replacement Cost Coverage

Protects your new vehicle from depreciation in the first 60 months from your purchase date.

### Coverage for your rental car

With the loss of use optional coverage you will have rental costs covered and protection for damages to the rented auto while your automobile is in the shop.

Talk to your Coronach Agencies insurance broker about an Auto Pak today!

### Coronach Community Hall

A Huge Thank You to Wanda McMillan and Judy Wiebe for your commitment to the Coronach Community Hall Board. Your combined total community volunteering with the hall equals 14 years! Both ladies have stepped back from the board and we wish you well in your new adventures. You will be missed. We would like to welcome Kristen Whelen to our board. If there is anyone who would like to join the Hall Board, please contact our Chairperson, Ron Mamer. The hall has been busy hosting a Smear tournament every Sunday in February. We also held a pot luck supper and games night where we took up a collection for STARS. We were able to send them an \$80.00 donation on behalf of the attendees. Bowling will be starting on Tuesday, February 27th. Please contact Judy Wiebe for more information. Spoiler Alert...The Big Muddy Players are practicing for a play. If you would like to help out with props, prompting, music or anything else, please give Linda Poirier a call. Thank you for everyone's support in getting the hall back up and running. From your donations to the support of our major fundraiser with the Rec Board "Chase the Ace" to all the positive comments the board members have received, we appreciate all of it.  
Ron Mamer, Leanne Kuski, Michelle Lalonde, Kristen Whelen, and Alisha Jeffery.

The Town of Coronach has closed their CIBC account in Assiniboia, effective January 16, 2024. Residents who submit on-line banking payments through CIBC will no longer have access to this service. We apologize for any inconvenience this may cause. However, there are many other ways to remit payment, such as: on-line banking through Conexus Credit Union, by sending a cheque, by e-transfer to coronachap@outlook.com, or in person at the office by cheque, cash, debit, or credit card. We accept VISA and MasterCard. When sending an e-transfer, please be sure to note your account number or civic address. All e-transfers are set up for automatic deposit and do not require a security question and password. If you wish to pay with a credit card over the phone, please let us know and we will email a Credit Card Authorization form.

Upcoming Town Council Meetings are scheduled for March 12, 2024 and April 9, 2024 in Council Chambers, 212 1st Street East in Coronach. The public is welcome to attend! Later this year, there will be a main 2024 election for Council on November 13, 2024.

The Old Coronach Street Festival is looking for 1-2 dedicated individuals to join the Old Coronach Street Festival organizing committee! With just 5-6 meetings a year and hands-on involvement during the festival, it's a fun way to give back and be part of something special. Join us in making our community shine brighter than ever! If you are interested, please reach out to Courtney Setrum, Janel Jackson Korbo, or Kelsey Manske at (306) 291-7086.

The Town of Coronach Council and Staff would like to thank Sean Wallace for his commitment and dedication, while fulfilling the roles of Managing Director of the South Saskatchewan Ready (SSR) and as Regional Economic Development Officer for Coronach and area. We are pleased to announce Angud Singh has been hired to replace Sean. Angud has many years of experience, and we look forward to working with him! Welcome to the team Angud!

Byron Travland has been appointed as the new Fire Chief for Coronach and area. We wish him all the best in his new position

Town Council will be tendering the red tool truck shortly. Watch for more information in the next 1-2 weeks if you are interested! The tender will be placed on the Town Facebook page, website, and Town Office door.

Town of Coronach cont - For utility billing, all landlords and renters will now receive a utility bill as per the Town Bylaw 10.2021 A Bylaw for Utility Management, Rates and Regulation in the Town of Coronach , Section 9.2. If you paid for the full year, you will still receive a utility bill; however, the amount would be a negative. This indicates that you do not owe the Town anything until the credit is utilized. If you paid in advance, you will also see your credit decrease from one billing cycle to the next, as the year progresses. This allows owners to track tenants payments who are responsible for paying utility bills and provide more information to residents.”

*We wish everyone a Happy Easter!*
