or

call/ text Heather at 267-7247

Deadline for summer issue is June 28

**Don't
FORGET!**

Congratulations

CLASS OF 2024

Savannah Anderson

Future plans: I plan on going to Saskatchewan Polytechnic to become a Combined Lab and X ray Technician. After getting my diploma I plan on finding a job close to home in a small town like I was raised in.

If you had a plane ticket to anywhere in the world, where would you go and why?

If I had a plane ticket to anywhere in the world I would go to Ireland because I have always wanted to see the Cliffs of Moher and the old castles.

What was your most memorable moment in high school?

My most memorable moment in high school would either have to be winning in gym blast or going on the ski trip.

What would be your dream job in life?

I always talked about working for a sports team being an athletic therapist because I played most sports growing up and I loved helping people get better. I also really enjoyed learning about the human body and how it works and how to properly heal after an injury.

Andrew Bleau

Future Plans: My future plan after high school is to go to Sask polytechnic in Saskatoon to get my welding ticket. Sometime after that I would like to get my Autobody Certificate too.

What would be your dream job in life?

My dream job in my future life is to open up a restoration and autobody shop somewhere in Saskatchewan.

If you had a plane ticket to anywhere in the world, where would you go and why?

If I had a plane ticket to go anywhere in the world, I would go to Germany. Germany has some of the best landscapes and have a lot of automotive racing and automotive museums.

What is the best part about Coronach School?

The best part about Coronach school is the amazing teachers we have and the great programs they give.

Skye Reid

Future Plans: I plan on working on my writing, but I'm not too sure about post secondary school. I want to eventually be good enough to be a published author.

If you had a plane ticket to anywhere in the world where would you go and why?

I would go to Ireland, because a lot of my family is Irish but also because it is just such a beautiful country with beautiful and exciting culture, and I think the beauty of the natural elements of the country would really inspire my art.

What's on your bucket list for the future?

Seeing the world is a big one for me. I would like to travel and experience cultures and food and architecture and people from all over the world. My most desired places to visit other than Ireland would be Denmark & Vietnam.

What subject / teacher will you miss the most and why?

I will miss English and Mrs. Gagne's classes the most because I love all of the material we read and having discussions about the things that we learn. I think I will probably pursue joining a book club in the future.

Amanda Sweetnam

Future Plans: Moving to Alberta and going to school after a year

If you had a plane ticket to anywhere in the world where would you go and why?

Paris, because I've always wanted to go there

What's on your bucket list for the future?

Moving to another country

What would your dream job be in life?

A social worker

Dashiel Pituley

Future Plans: Heavy Duty Mechanics

What would your dream job be in life?

My dream job would be to own my own mechanics shop someday and build custom vehicles

What is the best thing about Coronach School?

The best part about Coronach school is the small class sizes and the teachers dedication to helping students understand. The one class I will miss the most is PAA because I enjoy working with my hands.

What will you miss about Coronach?

One thing I will miss about Coronach is the community knowing everyone and willing to lend a hand to help each other out

Hayden Wrolson

Future Plans: I'm going to take welding at Sask Polytech in Saskatoon eventually I will most likely come back to farm

What will you miss most about Coronach?

I will miss seeing my friends and driving around at lunch hour

What would your dream job in life be?

My dream job in life would probably be farming/welding

What subject/teacher will you miss the most?

Probably shop or gym and having safety meetings in the shop with Berner

Cheyenne Heinrichs

Future Plans: I will be taking a gap year to work and plan my future before going off to school

If you had a plane ticket to anywhere in the world, where would you go and why?

I would go to Ireland because I love the landscape

What is on your bucket list for the future?

Visit Waterton, AB again and stay in the Price of Wales Hotel in the park

What would be your dream job in life?

An actress

Big Beaver Outlaw Mounted Shooting

WE THANK YOU

East Poplar Aggregate is open for business!
Several types of aggregates including road gravel, bin pad material, 5/8, 3/4, and 3 inch crushed rock, crusher dust, sand, topsoil and several sizes of riprap rock.

Call or text Claire @ 267-7786 for prices and delivery.

Rockglen Minor Hockey

Calling all U13 players! Rockglen Minor Hockey is putting together a shared U13 team, if you are interested please email for registration form and mail to Box 393 Rockglen, SK S0H 3R0 or email to alanaj@live.ca with any other necessary info. We are not asking for payment at this time as we understand things can change over the summer, we are looking to get a rough idea on numbers to create our roster and need to know what local interest is so we can be prepared for the fall so if you are interested please put your name in. If you have any questions please contact me at alanaj@live.ca. Thank you and have a great summer!

June 25 is Leon Day
Leon is Noel spelled backwards

It means 6 months until
Christmas

Hometown Success Stories

On May 17 there was the presentation of the coveted Pere Athol Murray Award. The Award is presented to the Notre Dame student who best exemplifies the characteristics, principles and ideals of Father Athol (Pere) Murray: who embodies an awareness of the spiritual, who demonstrates leadership through deeds and actions, who communicates effectively with and inspires others.

Congratulations to this year's Award recipient, 4-Year Hound, Kaden MacLean from Fife Lake, SK. Kaden was presented the award by Phil Ridley (ND Alumnus '74 and former ND Teacher). Kaden's mother, Jackie and his Grandmother were also at the ceremony. The award also comes with a cheque for \$1000.

Logan Resch of Maple Creek had a great season barrel racing and her overall season winnings qualified her to attend the Canadian College Finals Rodeo in Brooks, Alberta on May 17, 18 & 19. The finals were a total of 3 rounds and she got second on each round with her horse Sid and was awarded the title of the CCRA Barrel Racing Champion.

Logan is a semester away from finishing her degree (Business: Management major) through NAIT and she studies online.

Logan is the daughter of Cam & Christa Elder of Thompson Lake and Wayne Resch & Kerry Maynes of Maple Creek. She is grand daughter of Floyd and Colleen Elder of Coronach and great grand daughter of Arleane Winter of Coronach.

Also attending the Canadian College Finals Rodeo in Brooks, Alberta was Sarah Kirby. Sarah took home both the Goat Tying Champion of the year and was also awarded the Cowgirl of the Year Title (voted on by members of the CCRA).

Sarah is the daughter of Murray & Suzanne Kirby and granddaughter of Don & Linda Kirby of Coronach.

Macie-Rae Warken was also in attendance at Saskatchewan High School Rodeo Association Finals in Maple Creek from May 23-26. She ended up season leader in the breakaway. She also placed 4th in the barrels and was year end champ in the Breakaway and Team Roping.

From there she headed to Guthrie, Oklahoma to rope at the Royal Crown. She won a round in the 4 and under. She made it back to the short go on two horses in the 6 and under and ended up second on one of them. In the all ages she ended up winning 2nd in the second round and also won 3rd and 4th in the all ages breakaway.

Macie-Rae is daughter of Dallas & Vaughn Warken and grand-daughter of May Warken all of Coronach.

On the weekend of May 23-26 was the Saskatchewan High School Rodeo Association Finals in Maple Creek. In attendance was 14 year old Ciera Merrien and her roping partner Sunshine Toews to compete for Team Roping. They put in good runs and captured the title of Saskatchewan Team Roping Champions. They have now qualified for the Nationals Junior High Finals in Des Moines, Iowa from June 23-29 and they will be attending. They will also be going to the Canadian High School Rodeo finals in Brandon, Man from July 31-August 4.

Cierra is a 2x provincial junior champion team roper heeler.

Ciera is the daughter of Lee and Jen Merrien of Coronach.

Tenders- Tree Removal- The Town of Coronach is seeking a tender from interested parties for removing dead trees on town owned property. All trees to be removed will be marked in advance with spray paint by Town Staff. Tenders must be postmarked or dropped off at the Town Office by 5:00 pm on June 6, 2024. **Pool Demolition-** The Pool Demolition Tender is live on SaskTenders. The Town and Rec Board are looking for an excavation contractor. The deadline is June 3, 2024 at 5:00p.m. **Water Treatment Plant Roof Repairs-** The Town of Coronach is tendering for repairs to the Water Treatment Plant Roof. Tenders must be postmarked or dropped off at the Town Office by 5:00 pm on June 6, 2024. **Museum Drainage Tender-** The Town of Coronach is tendering for drainage repairs located at the Coronach District Museum, 240 1st Street West, to be completed in 2024. Tenders must be postmarked or dropped off at the Town Office by 5:00 pm on June 6, 2024. For more information on the tenders, please stop by the Town Office, visit the Town website, or Facebook page. Thank you

Just a reminder, please only flush toilet paper down your sewer system. Please do not flush paper towels, shop towels, feminine hygiene products, disposable wipes, diapers, dental floss, grease, oil, fats, etc. Town Staff have noticed an influx of grease and wipes in the lift station. If the floats in the lift station are not cleaned in a timely fashion, manholes can fill up and back up into resident's homes. Please be mindful as replacing a pump cost \$21,000. We thank you for your cooperation.

The Town's handi-van is back up and running! Town Council is asking if any businesses would like to advertise on the van, by way of a "skin." The van is 26 feet by 8 feet wide. A skin to wrap around the van can cost anywhere from \$750- \$4000. Please contact the Town Office if you are interested!

Town Council is very proud of the Big Muddy Players, back stage crew, volunteers and everyone involved in this past production at the Coronach Community Hall. Council recommends if you couldn't attend, to consider attending an upcoming production! Way to go to all!

Animal Pound Keepers For farm livestock within Town limits, please contract Michelle Myren. Town Council appointed Michelle at the October 17 2023 Council Meeting. If you notice any sheep, cows, or other farm livestock within Town limits. Michelle can be reached at 306-459-7867. For loose cats or dogs, the animals are to be taken to the Moose Jaw Humane Society. The owner would be responsible for all municipal pound fees, in addition to any fees charged from the Moose Jaw Humane Society. Please note, per Section 6 of Bylaw 3.2017 Animal Control Bylaw, no animal shall run at large within the municipality. For the first instance, the owner would be provided a written warning. If no corrective action is taken, more measures would be taken. Please note the Bylaw also indicates no cats or dogs on public playgrounds, ball diamonds or soccer fields. Thank you.

Are you looking to stay in Coronach? Please check out the Sportsplex Campground Booking site: <https://coronachrec.wixsite.com/coronach/campground> or call 306-267-2318 and leave a message. Another option is to explore the Town of Coronach private rentals page on their <https://townofcoronach.ca/> website. If you click on "Discover", "Accommodations & Camping", then "Private House Rentals" there is a listing. In addition, on Facebook, there is an option to post under the "Discussion" section of the Coronach Online Garage Sale. Lastly, there is the Poplar River Community Park that may have some sites. There website can be found on the Town page, <https://letscomp.ca/camps/poplar-river> or call 306-265-7188 for more information.

Interested in Purchasing a History Book- "From the Turning of the Sod"? We are looking at gauging interest for a re-print, prior to a re-order. If you are interested, please contact the Town Office.

What can you recycle in your Loraas Bins? Accepted items include: cardboard, boxboard, office paper, newsprint, junk mail, magazines, catalogues, plastic containers, plastic milk jugs, milk, juice cartons, tin, aluminum, and glass. Please rinse all items prior to placing them in your bin and remove all lids and caps. Items not accepted include: Clamshell containers, oil containers, chemical jugs, lightbulbs, plastic bags and stretch wrap, wood and metal scrap, diapers, Styrofoam and plastic utensils, hoses and rubber items, toys, clothing, food and garbage.

We would like to welcome Big Muddy Heritage Consulting to the Coronach community! Big Muddy Heritage Consulting Ltd. (BMHC) is an archaeological, historic, and heritage resources consulting firm based in Saskatchewan, and offering services throughout western Canada. BMHC works with industrial proponents, government agencies, and Indigenous communities to meet requirements of Provincial, Territorial, and Federal regulations regarding the identification, assessment, protection, and investigation of heritage resources, including archaeological and historic sites. They are located at 127 Centre Street. Give them a call at 306-265-7622 and welcome them to the community!

Curbside Giveaway and Free Transfer Site Day Town Council has approved one day in 2024 for a Curbside Giveaway. The Curbside Giveaway Day will be June 22, 2024. For Curbside Giveaway, residents are invited to place unwanted items, labelled FREE, at their curb for other residents and community members to browse and take for their own use, free of charge. Coronach Town Council has approved one day in 2024 for a FREE Transfer Site Day. The free Transfer Site Day will be June 23, 2024 from 1:00-5:00p.m. There is a maximum of one free load per household, for any residents that live within Town of Coronach limits. Town Council wants to encourage residents to clean-up their yards and help beautify the Town!

Tax Notices will be mailed in June. The next Utility Bill will be disbursed in mid-July.

Town Council and Administration would like to welcome Brayden Lalonde and Tyson Guskjolen to our Public Works crew for the summer! If you see them around mowing grass, give them a wave!

Coronach New Horizons

Well the moisture has been great over the past few weeks, And so far we have been clear of the storms. I have to say it was really great to the sun though.. A lot more cheerful than the clouds.

The Drop In is keeping busy. This month we are working at the What Not Shope. Also will be filling in for a few days the first part of June as they were in need of some help. Anybody that hasn't been to the What Not Shope should make a point of stopping in. You never know what you can find. And all money goes back into the community. The Drop In will be working again in September. Last month I shared a little song that had been written for Coronach's 50th anniversary. The theme for that day was "Those Were The Days". Florence Colvin was the M.C. for the program. History of Coronach was given by Mrs. Ollace Black. Loreen Hendricks sang a solo. Carolanne Jansen and Graydon Travland sang a duet. Violin solo by Dewy McPeck and a solo by Graydon Travland. Harold Siggekow did a reading titled "The Outhouse!!" A duet, "Va Con Dias" was sung by Marv Day and Shirley Kupper. Now has that brought back some memories? It did for me! Happy gardening!

Dr. Dan Meyer, Ph.D
Destiny Dawn, B.A.

What Not Shoppe

The What Not Shoppe's year end is June 30th so cheques to the organizations will be out the middle of July. We want to thank every one who has volunteered to work at the Shoppe. We couldn't do it with out all your help. We are needing workers for July and August. Let us know if you can help us out.

Have a wonderful summer !

CORONACH LIGHT HORSE 4H ACHIEVEMENT DAY

CANADA
4-H Saskatchewan

Saturday
June 9

JIM & MICHELLE MYREN'S ARENA

11:00 A.M.

Come out for a burger or a hotdog and watch the kids at thier annual Achievement Day

If I had a nickel for everytime I got confused, I'd be like, "where'd this nickel come from?" and then there'd be another nickel and I'd think, "whats with all the nickels?" leading to more nickels and confusion and eventually I'd be slowly crushed by nickels without ever knowing why

Home grown girl Sarah Vanthuyne (nee Sawin) is making waves in her latest endeavor - check out what she has to say:

" For those of you who don't know me-- my name is Sarah. I'm a busy wife, mom of three boys, Medical Lab Tech, and lover of reading, creating, and now pottery!

I enjoy making functional pottery as well as some sculpture. I love exploring different textures on my pieces. A lot of my inspiration is drawn from nature and from living on the prairies.

I have been handbuilding with clay as a hobby for a little over a year now. I began to get a feel for the joy that getting your hands muddy brings while taking the occasional fun pottery class with friends over the last few years. I never thought I'd ever be able to make pottery more than a once-in-a-while hobby until I was given the opportunity to join a drop-in community studio this last year. I've spent the last year with a fabulous group of beginner potters-- learning and growing confidence in my art. I had been feeling the pull to take this hobby to the next level, and recently made the decision to take the leap, opening my very own studio!

I plan to be fully operational by August, but I hope you will join me here in the meantime-- there will be lots going on between now and then!"

Sunday, June 16

Is there something you are curious about regarding the town or RM of Hart Butte? Send your questions to coronachconnection@sasktel.net or a text message to 267-7247 and I'll get the councils answer for you!

Q: In the past few years Coronach has been working hard on improving and beautifying our community. The work on Center Street, the sign corridor along the highway, the murals, the flower pots, etc. However not much is being done to help the homeowners to help beautify their yards. In June 2018 Coronach did a town clean up day and had a free dump day to help the community declutter their yards and enhance their property. Many other communities do this as well as an incentive to clean up the yards in their town.

Many yards in Coronach are a disgrace and take away curb appeal from that street or block that they are located on. And many of these disgraced yards have remained looking like this for years, no penalties for not taking care of your property.

Would it be possible to have a free dump day and encourage homeowners to declutter their yard for the summer? The incentive would go a long way in improving many yards in town

A: Curbside Giveaway Day!

Coronach Town Council has approved one day in 2024 for Curbside Giveaway. The Curbside Giveaway Day will be June 22, 2024. For Curbside Giveaway, residents are invited to place unwanted items, labelled FREE, at their curb for other residents and community members to browse and take for their own use, free of charge. This is a great opportunity to declutter and find a new home for your unwanted items, while also picking up something you may want or need for free! Here are a few tips for the curbside giveaway: keep items you don't want taken far from the curb to avoid confusion and only take items labelled FREE, if there is any doubt ask the owner first before taking.

Curbside Giveaway is an opportunity to reduce the amount of garbage going to the Transfer Site.

Free Transfer Site Day!

Coronach Town Council has approved one day in 2024 for a FREE Transfer Site Day. The free Transfer Site Day will be June 23, 2024 from 1:00-5:00p.m. There is a maximum of one free load per household, for any residents that live within Town of Coronach limits. Any additional loads would be charged at normal Transfer Site rates.

Both endeavours were requested by an individual in the "Ask the Town Council" section for the Coronach Connection. Town Council wants to encourage residents to clean-up their yards and help beautify the Town!

Cafeteria Catering Services for Poplar River Power Station

General Information:

The Poplar River Power Station in Coronach is looking to secure long term Cafeteria Catering Services to meet the requirements of day-to-day employees and contractors working at the site.

All respondents:

Mandatory site meeting will be held at Poplar River Power Station June 12, 2024 at 2:30 p.m. central standard time.

Please contact Kristen Plumb via email kplumb@saskpower.com by June 10, 2024 at 3:00 pm central standard time to register for the meeting.

RFP Package will only be shared with the respondents who attend the mandatory site meeting.

You can't predict the weather, but you can count on us to help you deal with it.
 Protect your crop with **Hail Insurance.**

Coverages Information:

- All kinds of crops.
- Individual canola rate.
- Convenient deductible options.
- Call us for rates on your land location

We can help you insure all your Valuable Toys.

Please feel free to contact us for further information and a quote.

Coronach Agencies is pleased to announce that we have just been appointed as representatives for MyMutal Insurance.

They are a Saskatchewan Company based out of Waldheim and have been in the business of insuring, farm, home, commercial and more in our province for over 125 years.

They have competitive rates and as I personally have represented them in other communities and recommend them with out hesitation for you to consider.

Please stop in to see us for a quote.

Join us on June 18th to celebrate our 5th Anniversary
Community Fundraiser Bar-B-Que

From 11:00 am to 2:00 pm

Enjoy a burger or hot dog, bag of chips and a cold beverage for \$10.00.

All monies raised will be shared with the Coronach Drop In Centre and the Big Beaver Rec Board to assist with operational costs.

Coffee and Anniversary Cake will be served.

Please come and join us celebrate our anniversary and to raise some funds for 2 deserving Community Organizations.

2024 Poplar River Mine Hay Tenders

Westmoreland Mining LLC will be receiving private bids for the cutting and removal of grass and alfalfa from the following parcels:

Parcel	Description
1	Approx. 175 acres in the E 1/2 31-3-26 W2.
2	Approx. 300 acres in Section 15 and SW 14-3-26 W2. Active mining area.
3	Approx. 160 acres South of the PRNM shop and office, the W 1/2 and SE of 17-3-26 W2. Active mining area.
4	Approx. 230 acres in the S 1/2 of 19 and N 1/2 18, all 3-26 W2. Active mining area.
5	Approx. 415 acres in sec. 19-3-26 W2.
6	Approx. 170 acres within and adjacent to the PRNM Rail loop, in the E 1/2 of 24-3-27, NE 13-3-27, SW 19-3-26 and NW 18-3-26, all W2.
7	Approx. 470 acres in sec. 30-3-26 W2.
8	Approx. 400 acres in the N 1/2 30-3-26 and S 1/2 31-3-26, both W2.
9	Approx. 290 acres in the W 1/2 of 31-3-26 and SW 6-4-26 all W2.
10	Approx. 495 acres in the E 1/2 of 25-3-27, SW 25-3-27 and the SE 36-3-27, all W2.
11	Approx. 145 acres in the E 1/2 of 24-3-27 W2.
12	Approx. 150 acres in the NW 24-3-27 W2.
13	Approx. 200 acres in the N 1/2 16 and the S 1/2 21-3-26 W2. Active mining area.
14	Approx. 420 acres in the E 1/2 21 and SW 22-3-26 W2. Active mining area.
15	Approx. 200 acres in the E 1/2 22, SW 23-3-26 and NW 14-3-26, all W2. Active mining area.
16	Approx. 200 acres in the N 1/2 15 and S 1/2 22-3-26 W2. Active mining area.
17	Approx. 115 acres in the N 1/2 14 and S 1/2 23-3-26 W2. Active mining area.
18	Approx. 210 acres in Section 16 and the NW 17-3-26 W2. Active mining area.
19	Approx. 208 acres in NW 23, NE22 and SW 26-3-26, all W2. Active mining area.
20	Approx. 223 acres in SW 27 and NW22, all W2. Active mining area.
21	Approx. 165 acres along the rail corridor between PRNM grid road and 1/4 mile south of Highway #18.

The map can be found at www.poplarrivermine.com and viewing of the parcels or receiving a map by email can be arranged by calling Alana Prefontaine at 306 994-6813 or emailing aprefontaine@westmoreland.com.

Bids are to be placed on an individual parcel basis utilizing the above parcel numbers for identification. The bids are for the first crop only. All parcels are located at Poplar River North Mine. All successful bidders must sign a liability release agreement, provide Westmoreland Mining with crop production data based on the number of bales removed and bale weight.

Mark bids with **Confidential Hay Tender** as the subject line and email to tenders@poplarrivermine.com or clearly mark on the outside of a sealed bid and mail to:

Attention: Alana Prefontaine
Poplar River Mine
Box 599
Coronach, SK S0H 0Z0

Bids must be received by **Noon on Monday June 24, 2024**. Terms will be cheque upon notification of successful bidder. Highest or any bid not necessarily accepted. **All work must be completed, and bales removed by September 30, 2024.**

Successful bidders cutting hay in the **ACTIVE MINE AREA MUST** wear hard hats, safety glasses, steel toed boots and reflective clothing while on mine property. Buggy whips are required to be attached to all light vehicles in the active mine area and must be provided by the bidder. All equipment must be equipped with a roll over protection system.

POPLAR RIVER MINE WILL NOT PROVIDE BUGGY WHIPS FOR LIGHT VEHICLES

HAY AND DITCH MOWING

The Municipality follows the Ministry of Highways rules and guidelines for haying and ditch mowing.

Key dates for hay salvage:

July 8: Prior to and including this date, a landowner or lessee nearest to a highway ditch has the first opportunity to cut or bale hay.

After July 8: Cut and bale hay on a first come, first serve basis. The nearest landowner's permission is not required after this date. Cutting and baling hay should not be initiated if the mowing contractor is mowing near the area.

August 8: All hay bales must be removed from ditches, or they may be removed and disposed of at the ministry's discretion. **After August 8:** Bales must be removed immediately following haying operations.

A history lesson.....

As our Coronach golf season has begun for another year I would like to submit a little history of the Coronach golf club and present golf course, as written in quoted by Marvin Day and Dave Aldous.. Submitted by Marv's daughter Valerie Rousseau.

Marv quoted, "A few names events and dates may be missing so we apologize if anyone or events have been forgotten. "

About 1930

The first course was set up north of the railway tracks on land which was known as Sandy Jackson's pasture. Some of the people responsible for this course were Frank Day, Bob Flynn, Gerald Devlin, Clem Boughen, Elmer Keyes, Vic Livingston. The greens are very small with no sand or flags and the cups mermaid using 28 oz tomato cans. Most of the wives or friends of the golf course organizers golfed along with the men. To name a few were Arletta Day, Mrs. PR Olsen, Mrs. G Devlin, Mrs. T Crawford, Mrs. Frank Day Mrs. Dosdahl. This course was abandoned in a few years.

A second attempt at the golf course was suggested by Dave Aldous and constructed in the Coronach school yard site. At first Dave Aldous made one fairway and hole to the north of the present schoolyard and another one to the south of the school. He said he used to knock a ball or two back-and-forth with his #5 five iron. He said that Marvin Day had a set of wooden shafted golf clubs and would join him in the schoolyard. Next person interested was John Wilson who also had some clubs. The three of them spoke of what could be done to improve their course. There was a large areas south of town which belong to the municipality. The municipality was not too eager to say they could use it but did finally agree to let them go ahead.

At the same time there was a man named Par Fletcher, son of Pat Fletcher of Saskatoon who was a well-known Canadian golf pro for 26 years. Par Fletcher was here working for the Imperial Oil drilling rig (which was Southwest of Lorne Elder's farm.) Together Par Fletcher and Marv Day with the help of Dave Aldous and John Wilson planned a layout for the golf course. These men decided on a three hole golf course and this project was completed by June of 1958. They dug the sod out with a spade and had some sand hauled in to make the greens. The tomato can was again used as the green cup. #1 hole was designed and built by John Wilson 212 yards, #2 hole was designed and built by Marvin Day 315 yards, and #3 hole was designed and prepared by Dave Aldous 400 yards, which is presently #9 hole at the present golf course. They played quite regularly on this course and if you went around three times you had a round of nine holes! As the summer wore on golf became impossible because of the wild grass.

In the spring of 1959 more people were interested in the game of golf and together they all decided to expand this course. It would now be made into a 6 hole course. #1 hole still 212 yards, #2 hole still 315 yards, #3 hole 140 yards, #4 hole 235 yards, #5 hole 238 yards (which is now #7 fairway) and #6 hole 400 yards (still #9 fairway today.) A few of the names mentioned where Marv Day, Don Day, Greg Day, Dave Aldous, Henry Nelson, Frank Barrett, Fred Lichter, John Dosch, Alex Thompson, John Wilson, George Nelson, Don Beattie, Harold Clark, Paul Dosch, Ken Elder, Don Henderson, Dave Beattie and Doug Hicks. The flag pins were about 31" long made by John Dosch and George Nelson. These pins had a sharp end to stick through the tomato can and into the ground. Some of the scrapers were made by John Dosch and George Nelson and a friend of Par Fletcher's named Mike, who also worked for Imperial Oil Drilling Co. Sand for the greens was hauled by truck and trailers and was never screened. Later GT Curran supplied used oil to moisten the sand for grooming.

#1 fairway was built close to the town dumping ground. Many loads of iron, tin, etc. had to be hauled away. Much of this was hauled away by Alex Thompson. The first tractor purchased was a 1941 John Deere model B purchase from Joe Degrand for \$150, which seem to last forever. The first mower, a gang type was purchased from the Scobey golf club for \$150. Marv Day and John Dosch had quite a time clearing it through customs as they valued it at \$14,000. After a few phone calls to Moose Jaw the duty was finally based on the value of \$150. A nine ton roller was constructed at the George Nelson garage, formally where the Conexus Credit Union is today. One of the many men who contributed to this project was Dr. Tom Jackson. The stub axles came from an old separator from the Fred Thompson farm. Evan Scott assisted with the building of the first clubhouse, which was basically a booth, which sat where #1 tee off is today. Dwayne Willford used his backhoe to remove any huge rocks from the fairway areas.

The first tournament was organized by the club executive and was held on October 18, 1959 with 20 entries. There were three flights categorized by the score normally averaged in previous games. Winners for that day were noted: first flight winner Marv Day, second Fred Lictor second flight winner Frank Barrett, second Gordon Skjerven, flight three winner was Greg Day second was Don Day.

In the late 1980s with the addition of the Sask power industry and the Poplar River Mine many more employees from these industries joined forces to keep the course golf course improving. With the volunteer help of these extra workers and equipment, watered fairways and later watered grass greens were established on the Coronach golf course. A dugout providing water for the fairways was maintained for many years by Marv Holbrook.

In 1982 the CPR train station was moved from the railway track north of town to the golf course and was renovated, painted and shingled. Dennis Reiland and his fellow ironworkers and cement workers built an outdoor patio and a large barbeque on the south side of the building. Darlene Reiland organized a woman's work bee to renovate the inside of the building. Many tournaments and social events were held in this building, and still are today.

"Our club has been very fortunate all these years with all the volunteer labour and we wish to thank all those people," said Marv, "and without their help we wouldn't have a golf course in Coronach."

And in conclusion, I, Valerie would like to add, that with the continued help of the present day crews and staff at the Coronach golf club, we can continue to be thankful for the beautifully maintained course that we have.

In honour of my dad Marvin Day, a golf tournament was dedicated in his name called the "Marv Day Memorial" held every Father's Day weekend in Coronach. Without his inspiration and dedication from his many friends we would not have a golf course today.

MENS NATIONALS START AT 6:30PM**

What is the summer solstice?

This year it is Thursday, June 20

The 'longest' day of the year marks the middle of summer.

This is because the tilt of the Earth's axis is most aligned with the sun, providing us with the most daylight of the year.

When it ends, the nights will begin to close in as our planet rotates away from the sun. Solstice comes from the Latin words sol, meaning Sun and sistere, meaning to come to a stop or stand still. On the day of the June solstice, the Sun reaches its northernmost position, as seen from the Earth. At that moment, its zenith does not move north or south as during most other days of the year, but it stands still at the Tropic of Cancer. It then reverses its direction and starts moving south again.

Please follow the Facebook page, The Bloomin' Greenhouse where daily hours are listed as well as pictures and sales! Thanks to everyone who has been out to shop - love seeing you all!

The Big Muddy Player's cast and crew would like to thank the businesses, people, and groups for their support with our latest production:

- Southland Co-op – for donating the meat for our supper,
 - Coronach Community Hall Board – for sponsoring the play,
 - Coronach School – for lending us the stage lights,
 - Community Volunteers in the kitchen, bar & door – May Warken, Dianne Greenslade, Linda Kirby, Elaine Hicks, Michelle Lalonde, Morris Kuski, Ron Mamer, Patti Mamer, Doreen Coles, Brenda Foley and Mike Hovorka,
 - Community Members – JoAnne Hawkes for the use of the easel, Merv Colibaba for the use of the phone, Leo Poirier for the electrical box, and Jim Achtymichuk and Taylem Wrolson for the use of their tennis racquets,
 - Town of Coronach and RM of Hart Butte #11 – for photocopying the programs and posters,
 - Sask Lotteries – for grant money to help restock our props and costumes,
 - Our Families – for their patience and understanding during the rehearsal of the play,
 - Everyone in Attendance – for your continued support.
- Thank you to the Siggelkow family for their donation of props and costumes to help replenish our lost supply.

Thank you from the bottom of our hearts. We cannot do this without your support.

Todd Ferrie, Linda Poirier, Marlene Hovorka, Leanne Kuski, Brenda Fisher, Johnathan Setrum, Renea Paridaen, Cheyanne Heinrichs and Dellee Newman.

and..... That's a wrap!

Lessons start on July 1, are Monday-Friday and will run for 6 weeks. Forms are available at the lifeguard shack and a pdf is listed on Coronach Sportsplex & Recreation facebook page. All lessons are taught by certified Life Saving Society Instructors. While lessons are on other children cannot be in the pool or in the spray park. Our goal is to provide swimmers with the confidence and strength to learn to swim and lifesaving water skills.

Sets of lessons are as follows:

Dates

July 1 - July 5
 July 8 - July 12
 July 15 - July 19
 July 22 - July 26
 July 29 - August 2
 August 5 - August 9

****Pool does not close for any holidays ****

School Swim

Once again Mr. B has planned a week of swimming for the school. We appreciate him as well as the rest of the staff for making sure everyone gets a trip down to the pool!

Monday, June 10 - 10:00-12:00 - Pre - K

Monday, June 10 - 1:00-3:00 - Grades 9-12

Tuesday, June 11 - 10:00-12:00 - Kindergarten

Wednesday, June 12 - 10:00-12:00 - Grades 1/2

Wednesday, June 12 - 1:00-3:00 - Grades 3/4

Friday, June 14 - 10:00-12:00 - Grade 5/6

Friday, June 14 - 1:00- 3:00 - Grade 7/8

And thank you to all the parent volunteers who come to help supervise!

Woo-hoo!
 HAPPY LAST
 month
 School
 OF

June at
 Coronach School

We are excited to announce that we will be having a Hot Dog and Pop Sale on Wednesday, June 5, for students and staff. For just \$5.00, you can enjoy a delicious hot dog and a refreshing pop.

Get ready for Freezie Friday this June! Treat yourself to a refreshing Freezie for just \$1.00 on Friday, June 14 and 21 at the canteen. Don't miss out on this cool deal to kick off your summer weekends with a delicious and icy treat.

Treat yourself to a sweet treat! We will be having an Ice Cream Sundae Sale on Tuesday, June 11, following our awards assembly. For just \$5.00, you can enjoy a delicious ice cream sundae
