

Box 90, Coronach, SK S0H0Z0

## **Street Closures & Garbage/Recycling Placement**

Please be advised the following sections will be closed to vehicular traffic from September 23 to October 9, 2024:

- Centre St (from Railway Av to South Av)**
- 1 Av (from 1 St W to 1 St E); and,**
- South Av (from 1 St W to 1 St E).**

Barricades and pylons will be placed accordingly for this timeframe. Our contractors and engineer will be staking the area prior to paving. This closure is to ensure the area is not driven on once the staking and paving occur. As the paving contractor completes sections, roads will re-open accordingly. Paving is to begin on South Av. Within these areas, foot traffic will be allowed on the sidewalks. We are sorry for the inconvenience this will cause businesses and residents during this timeframe.

Regarding garbage and recycling bins on these streets listed above, those individuals would have to place their bins on a different street/section from those listed above to ensure they are emptied. This would affect Sept 27 and Oct 4 pickups.
