Tender for Drainage- extended

The Town of Coronach is tendering for drainage repairs located at the Coronach District Museum, 240 1st Street West, to be completed in 2025.

Tender is to include:

- Removal of any existing material, as needed, around (6) six windows prior to removal of windows stipulated below
- Remove (3) three windows, seal with Blueskin, and place plywood overtop/paint plywood on the museum building, east side basement windows as well as remove plywood and fill in the hole adjacent to the museum steps
- Remove (3) three window wells, seal with Blueskin, and place plywood overtop/paint plywood on the doctor's office/house portion; windows are located on the east, south and west.
- Remove the covered stairs to the tunnel and cover to ensure waterproofing for future years
- Fill in the area as required with aggregate
- Slope aggregate around the museum to ensure water flows away from the building
- Place aggregate in the back of the doctor's house and ensure the area is sloped away from the building and water drains away from the buildings in the back alley.
- Provide all labour, equipment, and aggregate required to complete the job

The contractor is required to provide evidence of liability insurance to the Town. The Contractor will also be responsible for providing a clearance from the Saskatchewan Worker's Compensation Board prior to being awarded the tender.

For more information on the location of windows or the project, please contact the Town Office at 306-267-2150.

Please submit all costs above **as a total cost**. A tender must be submitted in a sealed envelope marked "Tender for Drainage" and addressed to: Town of Coronach, Box 90, Coronach SK S0H 0Z0. Tenders must be postmarked or dropped off at the Town Office by 5:00 pm on July 22, 2025. Highest, or any tender, not necessarily accepted.
