

GROUND DISTURBANCE

Details

Date: November 12th, 2026 | 9AM - 5PM

Location: Assiniboia

Cost: \$175 + Materials & Tax

ABOUT THE COURSE

This one-day program is designed for individuals responsible for supervising Ground Disturbance (GD) activities, including those performing independent ground disturbance work or issuing and/or receiving GD permits.

As a Level 2 program, it ensures that supervisory personnel and workers have the knowledge and understanding of applicable regulations, responsibilities, and best practices related to Ground Disturbance.
