Southeast College

Class 1 Truck Driver Mandatory Entry-Level Training

ABOUT THE PROGRAM

Launch your career in the transportation industry with Southeast College's Class 1 Mandatory Entry-Level Training (MELT) program. Designed to meet Saskatchewan licensing requirements, this comprehensive program combines classroom instruction, in-yard training, and practical driving experience to prepare students for their Class 1 road test and a future in commercial driving

WHY CHOOSE US ?

Whether you're starting a new career or looking for a fresh opportunity, Southeast College provides the training and support to help you reach your goals.

- Experienced instructors with industry knowledge
- Hands-on training in real-world driving environments
- Supportive learning environment focused on student success
- Industry-recognized training that meets Saskatchewan MELT requirements
- Train close to home with a trusted Saskatchewan educational institution
